BETTER RED... THAN DEAD!

If Boris Yeltsin's assertion was correct, and American Prisoners of War are alive in the former Soviet Union, how have the GIs survived so long? **With POWer Borscht.** And after more than 20 years of drinking nothing but beet juice, our men have the running red shits.

From the halls of deep Siberia, to the shores of Vietnam...it's the only choice of an incarcerated generation. Contains less than 2% of USDA daily allowance of Life, Liberty and Pursuit of Happiness. Soldiers and bottle recyclable.

BITS and PIECES

ASSHOLE OF THE MONTH

H. ROSS PEROT

HUSTLER's Asshole of the Month is an elected position, but—unlike public office—candidates have no choice in whether they are nominated or not. Munchkin moneybags H. Ross Perot promised the American people a "world-class" Presidential campaign. The little-big-mouth from Texarkana backed out of the race for the White House and squirmed right onto the world-class, greased shaft of December 1992's Asshole of the Month award.

For 148 days of make-believe, "electronic town hall" democracy, the tyke-size Texan slithered from talk show to talk show, his forked tongue spitting out sound-bite vows of salvation to the U.S. citizenry. The tiny tycoon lifted more than four million supporters on a roller coaster of high hopes. Less than halfway through the campaign's dips and rises, Mr. Perot bailed out. A newly inspired, multigenerational army of patriotic true believers took a sickening plunge into butt-fucked-as-usual politics, one more betrayal closer to totally despairing of our ass-raping government.

The only way H. (the "H" stands for *heil*) Ross Perot could have caused greater damage to our hopes, freedom and prosperity would have been by winning the election.

Perot's February 20th appearance on CNN's *Larry King Live* ended with a grandstand pledge: "If you register me in 50 states," Ross challenged the electorate, "I'll promise you this: Between now and the conventions, we'll get both parties' heads straight."

Once sworn in, prophesied half-pint, he would be a "servant" to an America that has too long been served only rectal lasagna from its elected officials. Ross talked rough: "*Asleep* I can do a better job than they're doing now." Ross as Boss could solve the federal deficit problem "without breaking a sweat."

Within a week of Ross's *Larry King* boast, volunteers had organized in 46 states to collect signatures and place the little man on the ballot. Three weeks later, 500,000 calls a day were ringing into the Perot for President toll-free number.

"Mr. Perot, sir, if we elect ya," the country paused to ask, "what's your plans for healin' our ails? Don't be afraid to get specific."

"See," answered Perot, explaining everything, "it's simple."

Maybe it was "simple" at first, but it soon became complicated. Grumblings were heard about pure-hearted Perot as a shifty operator who had cheated his competitors and the government out of millions of dollars, put together sleazy business deals with the Vietnamese while in Hanoi supposedly searching for U.S. MIAs, squirmed out of a four-year Navy hitch on the grounds that he was too pious for military service, and voiced the opinion that the Constitution embodies an optional set of principles.

Perot responded to negative press with point-by-point evasion. He branded the allegations "Froot Loop" stories, "elves dancing on the ceiling," "Mickey Mouse tossed salad." This is brave language from a man who looks like the bastard spawn of Spuds MacKenzie and Dumbo the Flying Elephant, but courageous quotes burst from Perot like bubbles of hope popping into thin air. "Successful people don't quit," puled the pipsqueak plutocrat. "They don't give up."

Nonetheless, on July 17, candidate Perot's charade campaign ended. The game was getting tough; so Ross didn't want to play anymore.

"You don't hit below the belt, right?" mewled Perot, who—despite having referred to Bush staffer Jim Oberwetter as "Jim Bedwetter"—protested: "This is mud wrestling with no rules."

Perot shot his wad too soon, spouting rationalizations after the fact. "The Democratic party has revitalized itself." To continue the race, Perot projected, would throw the choice of President into a deadlock. From symbolizing a shake up of the political process, Ross suddenly claimed his objective had been "to improve our country, not disrupt the political process."

Pied Piper Perot blew off his followers: "I love the volunteers. I'm going to meet with all the volunteers' state coordinators." Like a smooth con man, Ross offered to guide his betrayed supporters into politics even as he abandoned them.

"I have an obligation to do the right thing," revealed Perot. While he's rolling over, the right thing would be to lie Asshole up—a servant to whoever will have it.

FARTS IN THE WIND

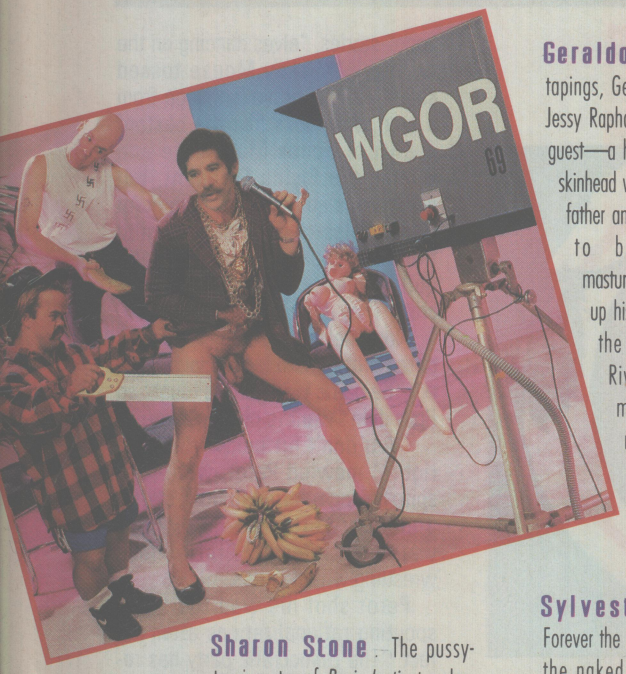
George Bush: Maybe it's a Halcion deficiency, maybe it's the pressure of being low in the polls, or maybe his pact with Satan is up for renewal. Whichever, President Bush has been himself lately. "Would you please shut up and sit down!" the Chief Executive recently barked at a group of POW-MIA families protesting his campaign speech in Crystal City, Virginia. Bush, who has no POW-MIA children, should take a seat himself—and put a gag on that Asshole.

Ice-T: Budding movie star Ice-T pulled the song "Cop Killer" from his heavy-metal album, *Body Count*, after the LP had shipped half a million units. Responding to a furor of law-enforcement agencies and NRA shills, Mr. T alleged that "At the moment, the cops are in a criminal mode," threatening people's lives. Rather than suggest that he had buckled and yanked the song in order to protect his rising media-hero career, Ice contended that he had censored his own free expression only to protect executives of the Time Warner communications conglomerate from potential physical violence. That an Afro-American can celebrate shooting street-level enforcers of policies determined by an elite, white power structure, and then express concern for the well-being of that elite, white power structure proves that Asshole logic crosses all racial barriers. F--- tha Execs.

It's the end of the year, a time for Thanksgiving, *Twilight Zone* marathons and endless Top Ten lists. Well, fuck movies and music, we've created our own Top Ten Celebrity Fantasy Fetishes for 1992.

According to our own warped minds, midgets are in and conventional sexism is out. So, in no particular order, here's a list of loathsome people and the perversions we've made up for them.

Those Fucking Celebrities in FETISH SCENES WE'D LIKE TO SEE



Geraldo Rivera—Between tapings, Geraldo dresses like Sally Jessy Raphael and invites his dream guest—a homosexual, schizophrenic skinhead who overcame an alcoholic father and a glue-sniffing addiction to become a chronic masturbator—to shove plantains up his ass. The fruit represents the Puerto Rican heritage Rivera claims, while the midget serves as Geraldo's masculine alter-ego.

Sharon Stone—The pussy-teasing star of *Basic Instinct* makes the list for the first time. Her particular kink involves a midget fisting bloody calves' brains into her pussy to prove that she's correct: "Women with brains and a vagina" are, indeed, threatening in Hollywood.

Sylvester Stallone—Forever the family man, Sly recreates the naked wrestling scene from *Women In Love* with his brother Frank, while a midget stuffs uncooked spaghetti like a catheter into his penis hole.

Candice Bergen—The daughter of Charlie McCarthy fucks wooden table legs while a midget drinks water and rubs sandpaper into her tits.

Madonna—For the 11th year in a row, Madonna makes our list. This season she stars in a donkey show, manipulating the animals until they fill an Evian bottle with sperm, which she then drinks while midgets toss horseshoes at her tits.

Cardinal Roger Mahoney—A surprise entry, the Cardinal dreams of frigging Madonna with his rosary and ejaculating onto photos of the Pope's colon cancer tissue, while a midget confesses his sins.

Carre Otis—Carre quit modeling to spend all her time with new scuzband Mickey Rourke. How does she keep her skin looking so young? She uses his heads—the ones on his ass zits, that is. Being whipped by a midget adds pleasure to her pain.

Tipper Gore—Now that her husband's a Vice Presidential candidate, Tipper quiets the controversy over her record-labeling campaign by licking cream out of Ice-T's butt crack during a live version of his song "Cop Killer."

Michael Douglas—Oddly enough, Michael dresses as a Roman peasant, shaves his pubic hair and runs his smooth balls through a midget's chin cleft.

George Bush—He fucks Barbara Bush.

Parody. Not to be taken seriously. Celebrity heads pasted onto our models' bodies. Fetishes invented by our staff, which is probably the most frightening aspect of all.

HOW WILL MOST AMERICANS FEEL AFTER THE ELECTION?

HERE WE GO WITH OUR VERY FIRST HUSTLER FOLD-IN.

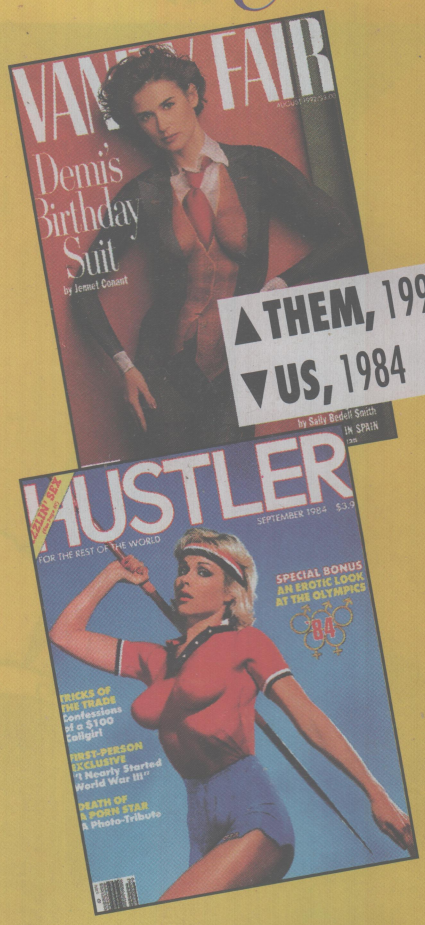
AS ALWAYS, THE HORRIBLE CHOICES FOR PRESIDENT DON'T SIMPLY PISS US OFF, BUT MAKE US DOWNRIGHT MAD!! WHATEVER THE OUTCOME, FUTURE HISTORIANS WILL LIKELY REFLECT THAT OUR PERIOD TRULY SUCKED!

Magazine parody. Not to be taken seriously. Moderate Democrats' heads pasted onto porn models' bodies. There's no evidence that these couples actually swing.

A Fair to Forget



▲THEM, 1992
▼US, 1984

We're not ones to blow our horn (that's what our models are for), but *Vanity Fair* pisses us off with their poses of boldness and originality. Indeed, it's a great idea to paint the nude body of a woman (in this case, the obnoxiously overexposed Demi Moore) and slap her across a magazine cover. In fact, it's such a good idea that HUSTLER did it eight years ago! We invite *Vanity Fair* to flip through other back issues of HUSTLER to aid their craven creative staff. After all, one of our mottos is:

"For the rest of the world."

A Persian Mint That *STINKS*

In an effort to ease their deficit problems, Iran has reportedly printed and circulated billions of counterfeit dollars throughout Europe and Asia that may soon filter into our own struggling economy (*LA Times*, July 2, 1992). HUSTLER has obtained one of the bogus bucks to help consumers locate the subtle discrepancies.

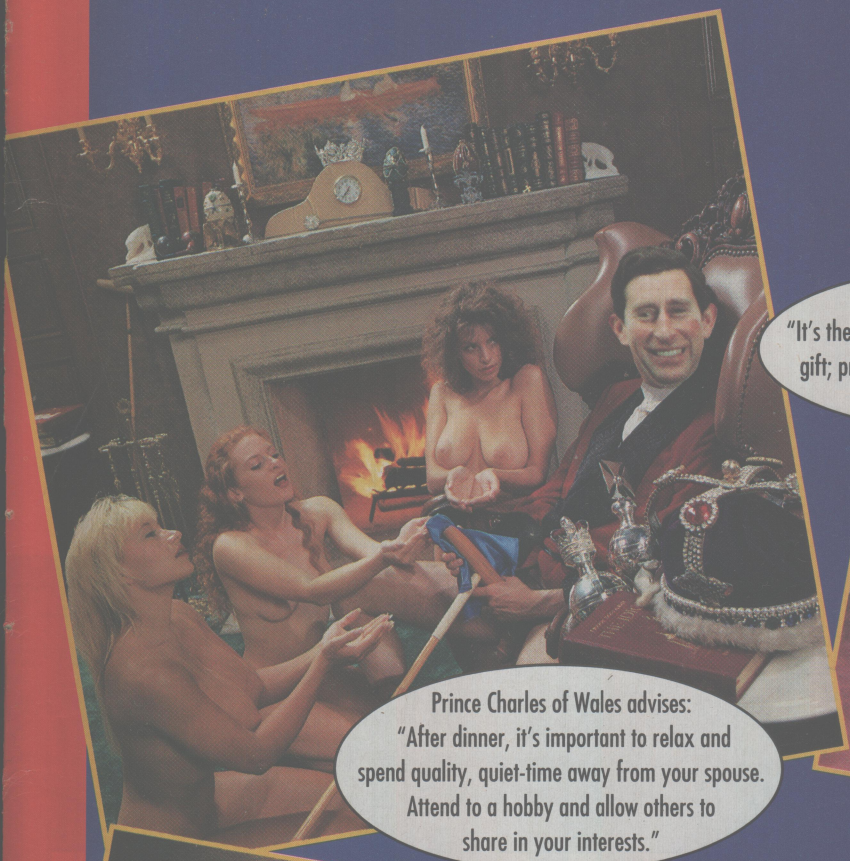
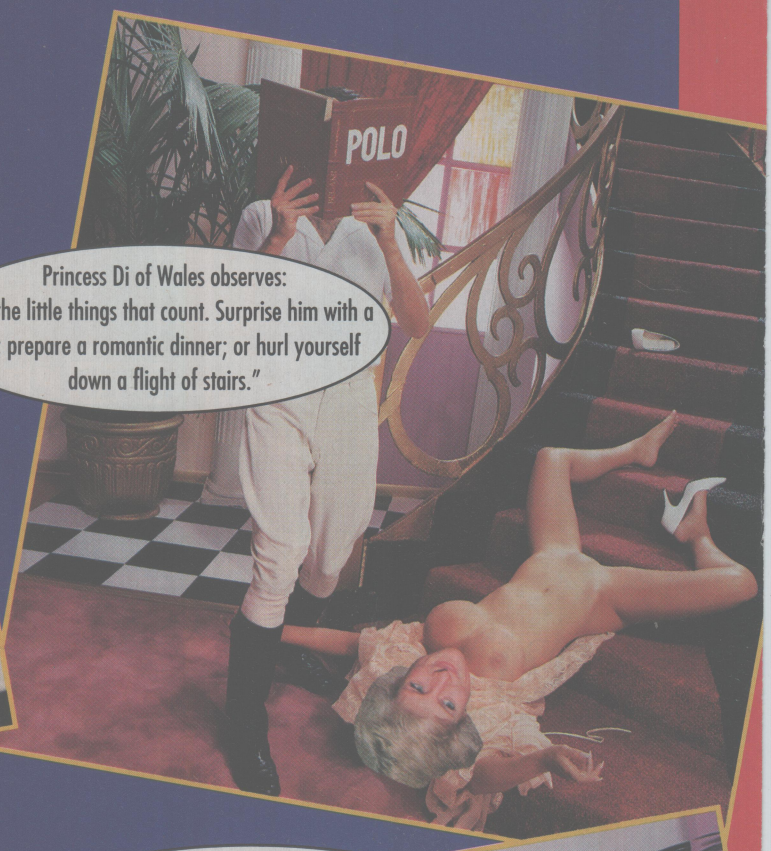
NOTE: EAGLE DISCHARGE

Within the Royal Family, the sense of matrimonial silence and survival spans centuries. That's why the recent marital strains on England's two most famous couples come as such a shock. Perhaps if these blue-bloods took their own advice, they could save their crusty couplings and teach even the common man the key to wedded bliss. So, in the sense of tradition, study these excerpts from HUSTLER's Royal Marriage Manual and avoid...

THE ROYAL FLUSH



Prince Charles of Wales advises: "After dinner, it's important to relax and spend quality, quiet-time away from your spouse. Attend to a hobby and allow others to share in your interests."



Princess Di of Wales observes: "It's the little things that count. Surprise him with a gift; prepare a romantic dinner; or hurl yourself down a flight of stairs."

Sarah "Fergie" Ferguson, Duchess of York, relates: "Take separate vacations and appreciate your mate from afar."

Prince Andrew, Duke of York, asserts: "Meet new people and share new ideas to better value the qualities of your betrothed."

Parody. Not to be taken seriously. Royal heads pasted onto our common models' bodies, and royal advice created by someone hired to make others look bad.

HOT LETTERS

TROUBLE ON AISLE ATE

My husband divorced me last year when my lesbian fantasies finally became reality. It was enriching on the one hand to earn the wealth of freedom, but on the other, I was left financially broke. With social security still six years away, I had to find work. At first working in a supermarket seemed degrading, but I truly came to enjoy my job.

It was slow one afternoon, and the store manager asked me to clean up a broken jar of strawberry jam on aisle eight. As I wiped up the sticky gobs of goo, I saw a darling, young girl walking toward me. Wearing a light, peach summer dress, she was like a poetic nightingale created by the pen of Keats. The sunlight from the front windows highlighted her figure and offered its silhouette for my eyes to fondle. Her butt was round and tiny; hand-sized, I figured. Her legs were obviously toned and appeared like granite columns that held fragile hips. Oh, and her face: Positively angelic, with a marbled jaw and two delicate bubbles for cheeks, each kissed with summer's golden caress. I've retained a firm physique through years of physical exercise and pursue only beautiful young girls who remind me of myself as a teenager. As she neared, my mouth became parched.

I made no pretension about averting my stare. (You get to a point in life when you don't have time for nonsense.) She smiled and stretched for a jar of honey that rested precariously on the top shelf. I was about to offer my help when—*click, click*—two metallic balls, like steel marbles, fell to the floor. At first I thought they had dropped from her purse, but when I reached for them, the soiled string that linked them together immediately gave them away. They were Ben-wa balls, and they had obviously fallen from between her legs. I picked them up. They were moist.

"I believe you dropped these, sweetheart," I smiled.

She bit her velvety, upper lip and reached for the toys. "I'm so embarrassed," she giggled.

"Don't be," I whispered, moving closer. "They're wet."

Her eyes locked solidly into mine and held for a moment. "They should be," she quipped.

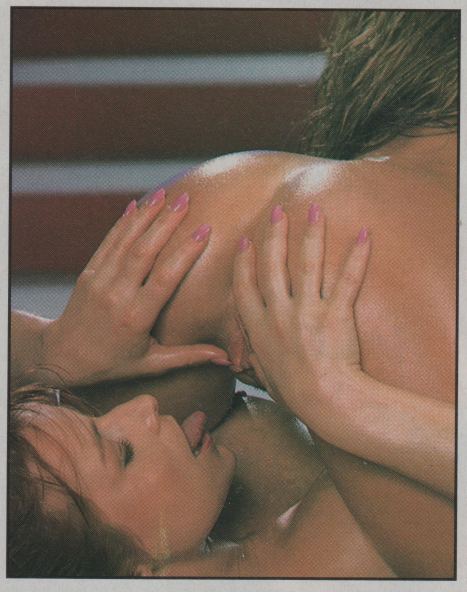
"I've always wondered if these things really worked," I said huskily, my eyes locked on her rounded lips. "Show me how to use them."

Her brown eyebrows arched, and she daintily swept a brown lock of wayward hair from her eyes. "You just want to see my pussy," she said bluntly. Now, *I* was embarrassed.

I led Cindy (that was her name) to the back of the store on the pretext of showing her the restroom. She teased my affrontery as we went to the back stockroom, where the produce is stored. I felt the moisture building under my skirt. We stood silently for a moment, while I swam within the expanse of her deep, blue eyes. My palm caressed her smooth shoulder and moved down the length of her toned arm, carrying a slender shoulder-strap within its grasp, until her pert little tits popped into daylight. She pressed her mouth softly into mine, flitting her tongue against my own. I traced the outline of her butt under the dress and dug my fingernails into her smooth cheeks. The closer my fingers wandered toward the crack, the more tiny hairs I felt. With both hands clenched, I spread the cheeks apart. I closed my eyes and imagined I was a kid again, playing touchy-feely with the girl next door on a hot summer day. My father would be watching a Cubs game on the tube, while on the porch my gal pal and I rubbed ice cubes against each other's young, naked flesh to soothe the onslaught of puberty. Even as a young girl, I had long, sensitive nipples that she would playfully flick as they became erect.

Cindy now sat next to a bushel of bananas and slowly pulled her sheer dress upward. I looked around, nervous that we might be seen. My mind blanked, however, as inch after tantalizing inch of her perfect legs were exposed until at last her furry, brown pussy was revealed. She spread her legs and tilted back her head. Her fingers glided along the exterior of her labia. "It's important," she moaned, "to first get some juices flowing." She opened wide the tender pink petals and sunk her middle finger into the darkness beyond. She pulled the digit out and offered it to me. "See how wet it is."

I dropped to my knees and licked the finger, tasting the musky dew. I put my mouth directly on the source and buried my tongue within her. She tasted warm



and fresh, and she brushed my hair aside to watch my tongue work her throbbing little clit. My teeth closed gently around the pink button. "Then you take the balls and, one by one, slide them inside."

I pulled away to watch. The plated marbles slid easily past her first set of lips before they were swallowed by the next. The spheres disappeared and, using the string, she pulled them in and out of her lovely pussy. The friction created a froth that splashed my hovering face with each thrust. My tongue slapped her clit as Ben-wa increased its pace. Her hips were really rocking; I could hear the little globes clacking within her. She grabbed her breast and gave the dark nipple a twist. Her face strained under the sweeping tide of orgasm. I pulled the toys out and

HOT LETTERS

She slid up and down my pole with such a vengeance, I thought her ass cheeks would crush my balls. "That's it," she shrieked, "Hit me!"

inhaled her entire vulva, my mouth feasting on her bountiful flow.

Suddenly, I felt a hand upon my shoulder. My heart dove to my stomach. I just knew it was my manager. I looked to Cindy, whose face was frozen with shock. The hand began to move slowly over my shoulder and toward my breast. Then it no longer felt like a hand and, as I turned to my right, I saw an ugly, black tarantula the size of a softball crawling toward my face!

I screamed—we both did! As I jumped, I neglected to remove my teeth from her clitoris. Tiny droplets of blood trickled from her pubic mound. I flung the hairy beast from my shoulder and launched handfuls of bananas in the direction of the intruder. It hopped around in a frenzy until I kicked the squirming foe toward the incinerator where its hairy carcass sizzled like the hydrogen peroxide I later applied to Cindy's cut clit.

We still laugh about that incident. Apparently tarantulas often hide in the banana clusters that are shipped from Central America. Still, I would prefer in the future that they didn't accompany my female fur-lapping. It's not the most pleasant association. — J.D.

A BUST WORTH FRAMING

You cannot trust your dick. Thus, you cannot trust a woman, because she will lead your dick astray. Case in point: me. I was driving home from a friend's party one night last June, when this Jaguar started tailing me. The highway had only one lane, and even though the driver seemed desperate to pass, I couldn't pull over. Yet, this prick continued riding my ass like a homo in heat; so I stepped on my brakes just to piss him off. The fucker obviously wasn't paying attention because he slammed right into me.

Fuck, was I pissed! We pulled over as far as we could. I surveyed the damage to my car and stormed the Jag ready to beat the shit out of this fuck. As the tinted window slid down I was surprised, actually shocked, to see a female driver hanging up her cellular phone. I studied her exotic features and long, wavy red hair. She was Italian, I guessed, and loaded, judging from her expensive jewelry. Suddenly, I was intimidated. I'm not an imposing man, and my insecurity obviously made her feel in control. "Why were you driving like an asshole?" she barked.

I wanted to speak, but couldn't stop staring into the almond-colored blouse, unbuttoned well below her cleavage. The insides of her tits sparkled like beautiful half-moons in a clear, desert sky. Man, did she have a pair! Her dark, olive skin, created a visual of deep, ruby nipples. Anger gave way to boner. "Answer me, fuckhead!" she demanded. Her mouth was large and had probably inflicted some pain in its day. Her powerful jaws and bulbous, magenta lips looked like they could unhinge and swallow the largest snake of a shaft.

Pay attention, I thought to myself. I wanted to be strong; this was, after all, her fault. But I was nervous, and my voice quivered. "We should exchange license numbers, and...." I was interrupted by the automated click of her passenger door unlocking. She smiled, revealing a slight, sexy gap between her middle teeth.

"I feel terrible," she cooed demurely, as a car whizzed closely by my legs. "Get in here with me, so we can talk."

I was embarrassed by the holes in my jeans and the stench of my shirt, but sat beside her anyway. My body language must've reflected my insecurities. "Relax," she grinned, locking the door behind me. "Maybe, instead of insurance problems, what I need is discipline." Her smile faded. "You will be the man to give it to me."

I looked for a hidden camera as she flung herself across the stick shift and pressed her mouth aggressively against my own. Her tongue licked my lips like she was painting a fence. I slid a hand under her silk blouse and felt her smooth breasts. Her upper-class melons were huge and heavy, like two big lumps of creamy mashed potatoes in my palms.

Her hand rubbed across the growing bulge in my jeans. She surveyed the road behind her car, sighed and yanked her black skirt over naked feet and rolled the sheer, black panties down to the floor. Placing both hands on the steering wheel, she shoved her big, tanned ass into my face. "Lick it," she ordered. I'm no idiot; so naturally I pulled those golden globes apart and slid my tongue along the folds of her crack. The tiny crinkles puckered under the wetness of my mouth. She reached back and spread her asshole apart. A quick breeze of a hard day's stench wafted past my nostrils, and I slid

THE VISUALIZER

Three-Quarters Erect. *Directed by Eric Edwards; starring Selena Steele, Mike Horner, Melanie Moore, Chrissy Ann, Heather Hart, Aphrodisiac, T. T. Boy and Tony Martino. Videocassette: VCA.*

Screenwriter Mike Horner is having trouble finishing a script, and seems continually distracted by fantasies of young sluts probing themselves. First the heavenly image of Chrissy Ann masturbates on his sofa. She sups her own gash juice as the camera revels in her flawless, tanned torso and crystal-blue eyes. Horner gladly participates in an imaginary threeway with the studio head's assistants, Selena Steele, Heather Hart and Aphrodisiac. The girls bob for gonads before Steele takes the man by the balls and rides his chapped shaft-saddle. Meanwhile, Hart fucks Aphro's retread face and chews complimentary chick chum. The dream ends in the palm of Steele's hand as she arm-wrestles Horner's cock into her tits for a victory shellacking. At what point does fantasy become reality? Who cares as long as they keep coming, which is what Chrissy Ann does after Melanie Moore sucks whipped cream and cherries from Ann's furry pie. *The Visualizer* will satisfy everyone who's ever experienced writer's and/or cock cramp. *—Luc Faucette*

Horner's problem is that he has too much pussy.

Imaginary bimbos bob for gonads.

*Jeremy promises to make Wane's **Dreams** come true.*

***Dreams:** Wet the bed with oceans of salty devotion.*

*Without wit and imagination, there is no **Justice.***

*Boy's mouth sends Mills to the orgasmic **Limits.***

IF DREAMS COME TRUE

Half Erect. *Directed by Stuart Canterbury; starring Danielle Rogers, Randy Spears, Cameo, Taylor Wane, Kym Wilde, Jerry Butler, Ron Jeremy, Steve Drake and Tom Chapman. Videocassette: AFV Releasing.*

The difficult process of constant auditioning that actors must endure is given a sporadically enticing treatment in *Dreams*, a rare fuck film in which so-so sex isn't fatal. Randy Spears is the director who must select a guy and a gal to fill two film roles. The choice isn't easy, especially since his greasy producer (Ron Jeremy) is cutting deals behind his back, like telling sensual starlet Taylor Wane she gets in if he gets in. He does, but she doesn't. Eventual winner Danielle Rogers is unable to match Wane's muff motorings, as she makes for a beautiful bore in her two scenes. A good script, interesting characters and strong performances make *Dreams* intriguing, though not nearly wet enough.

—Sam Lowry

DARK DREAMS

Three-Quarters Erect. *Directed by Robert McCallum; starring Samantha Strong, Tianna Taylor, Dallas, Shanna Rose, Stacy Nichols, Peter North, Cal Jammer, T. T. Boy, Ron Jeremy and Tim Whitfield. Videocassette: Western Visuals.*

The fact that the director had the good sense and taste to cast Ron Jeremy in a nonsex role is worthy of kudos, but much more in the *Dark* is deserving of praise. Excellent acting, stylish sets, creative camerawork and seven sex scenes, every one a ball burner, make this tape a dream date for the jizz-hunting joint jerker. Passion, sensuality and loads of delectably dirty trollops licking wad-launching sticky wickets and taking bones in their back door of amor will arouse even the most discriminating dick. Samantha Strong is a sloppy cocksucker, God love her, and the rest of her co-sluts, particularly Tianna Taylor, who revels in a Peter North facial, will make you launch creamy, sticky oceans of devotion.

—Woody Hood

DARK JUSTICE

One-Quarter Erect. *Directed by Jim Enright; starring Sean Michaels, Patricia Kennedy, T. T. Boy, Melanie Moore, Terri Diver, Christina Appleigh and Julian St. James. Videocassette: Zane Entertainment.*

Judge Clarence Thomas should be an easy target of spoof and satire, but any modicum of wit and imagination is sorely lacking in this slam-bam, make-it-as-fast-and-as-cheap-as-you-can serving of smut injustice. Three bright moments: Sean Michaels splashes Patricia Kennedy's tongue with soulful spew; T. T. Boy fills Melanie Moore's mouth with ball brew; and Michaels christens Christina Appleigh's countenance with cock cream. Unfortunately, all three face bastes come after clichéd carnal choreography. The judging dick declares a mistrial.

—W. H.

THE SEXUAL LIMITS

Half Erect. *Directed by Herschel Savage; starring Jenna Wells, Randy West, T. T. Boy, Wayne Summers, P. J. Sparxx, Tonisha Mills, Melanie Moore and Holly Ryder. Videocassette: VCA.*

Money can't buy happiness if it can't get a man laid. Wealthy Randy West has a problem pleasing women; something to do with his trademark lifeless cum-shots, the lovely P. J. Sparxx seems to say after their anticlimactic opener. West appeals to a lower source, Satan (Wayne Summers), who has a secret vanity mirror to fulfill a mortal's lustful temptations. Quicker than he can say, "Who's the limpest porn stud of all!" West becomes gardener T. T. Boy and is able to fuck his previously chilly servants. Boy's tongue unfolds the sheets of maid Tonisha Mills and fucks her from behind, raking putz butter onto her golden globes. He then finds chef Holly Ryder, who boils Boy's boner inside her bubbling puss pot. In an interesting twist to a poorly paced story, West must become a woman to get inside frigid lesbo Melanie Moore. He thus transforms into the comely Jenna Wells. After labe-locking with a two-headed latex prong, West cannot escape his now-feminine form. Satan has cracked the magic mirror, preventing West's return to his former self. Randy West gone forever? Strokers may now see Satan as their personal savior.

Night of the Star

The 5th annual clambake of the Adult Video Association was titled, as usual, "Night of the Stars," but they could have dropped the final "s." One star alone made this evening memorable: Marilyn Chambers. The actress was finally coaxed out of homey retirement to accept one of five Lifetime Achievement Awards.

Chambers looked every inch a star—trim, healthy, sexy—exuding both glamour and good humor. Now the mother of a baby girl, she was proudly escorted by her businessman husband. Her presence was covered by camera crews from CBS's *48 Hours* and cable's Entertainment Channel.

PHOTOS BY R. J. REYNOLDS.

In her acceptance speech, Chambers told the industry what it wanted to hear—that she was proud to have been a part of it—and what it may not have wanted to hear: that she stopped doing X about eight years ago because of the AIDS epidemic, "a very serious concern" for a porn actress.

The evening's most emotional moment came when Russ Hampshire, the CEO of VCA Pictures, was given the Joel S. Warner Good Guy Award. Hampshire is due to be sentenced on a federal obscenity rap he took as part of a plea bargain that saved his co-defendants. The noisy bar crowd showed that it cared with a prolonged ovation.

The Achievement Award for Best Actor went to Herschel Savage, now working in distribution and looking a bit nonplussed about why he was getting it. The director honored was Cecil Howard, making a rare Los Angeles appearance. Finally, the Hal Freeman Freedom Isn't Free Award, given to an anticensorship fighter, went to Phil Harvey of the Adam and Eve mail-order chain. Harvey has been locked in a bitter struggle with the Justice Department's Obscenity Unit for several years, and has won key court victories, proving to be one of government censorship's ballsiest and most determined opponents.

An estimated 500 people attended the event, and about $20,000 was raised for the Association's coffers. Pictured: Old and new stuff. Georgina Spelvin (left) and Marilyn Chambers were banging for the cameras 20 years ago; Alicia Rio, Tianna Taylor and Mona Lisa do it today.

SPLIT PERSONALITY

One-Quarter Erect. *Directed by Mike Carpenter; starring Stasha, Jamie Leigh, Talon, Rick Ban, Jake Steed, Peter North, Holly Ryder and Mona Lisa. Videocassette: Cinderella Distributing.*

Jamie Leigh's got boy trouble—the men in her life are too macho. She's got a secret weapon, Stasha. Stasha's a very pretty, blond gal, all curves and coy smiles. Our heroine first seduces Leigh's too-tough beau (though he looks remarkably sissyish). Stasha rubs up against him, then drops his pants and sucks pud. This dude decides to go for a face full of girl gravy, but *surprise!* A floppy cock and withered nuggets plop from Stasha's bikini bottoms. Undaunted, he carries on with their strange union—only to be proved unmacho by reason of homo-buggery. Next, Holly "Hulk-Clit" Ryder pogos on Peter North's whopping bone, unleashing a torrent of man goo that soaks her mini-Arnold body. Mona Lisa—the stunning, lithe, serpentine, pre-tit-job Mona Lisa—goes for a dual, bald-cunt 69 with Leigh. Then Stasha's at it again, succumbing to butt plumbing by another machoman-cum-dollyboy. Leigh squats on North's knob in the final scene, while Big Jake Steed sits by the sidelines, jacking off into the air. While Stasha's flaccid jujubes provide an amusing distraction, *Split* has little personality. *—Dewey Huevos*

THE ANAL ANALYSIS

One-Quarter Erect. *Directed by Jim Enright; starring Lynn Lemay, Sharise, Melanie Moore, Anne Marie, T. T. Boy, Marc Wallice and Joey Silvera. Videocassette: Zane Entertainment.*

How can a flick with five anal scenes be so close to total limpdom? Ask director Jim Enright. The only scene that stirs this sphincter snorefest is a lesbian tryst between Lynn Lemay and Anne Marie, a young girl who looks freshly plucked from Hollywood Boulevard. Lemay's thick tongue coats Marie's tinderbox with long, deep strokes before the ladies attach themselves at the bung with a double-donger. Otherwise, every scene unfolds in the standard manner of two-minute foreplay routines, five-minute straight fucks ending with the old gonad POV of the anal plunder. T. T. Boy does this routine with a self-conscious Sharise; Joey Silvera does her exactly the same, only one scene later—and on the same leather couch! Wallice takes a shot at Melanie Moore's milky buns for yet another oddly uncomfortable exercise. In the end, Lemay stretches box and bung for a quick and obvious DP that's less interesting than the phone-sex ads at the start of the tape. *—L. F.*

*Stasha is a pretty woman with a **Split** personality and a limp dick.*

*A cock in the ass is good **Analysis.***

*Cleanliness is next to **Elegance.***

*Being a gentleman gets West into Anisa's **Sweet** butthole.*

*Bionca finally gets Silvera into her **Tush.***

*She doesn't move her **Quarters** much, but Rivers looks good not doing it.*

SILK ELEGANCE

Half Erect. *Directed by Michael Carpenter; starring K. C. Williams, Bionca, Charisma, Chanel (a/k/a Tianna Taylor), Craig Roberts, Woody Long and T. T. Boy. Videocassette: Visual Images.*

Nothing compliments a slut like lingerie, and *Silk Elegance* is occasionally worth a freshly stained pair of panties. Charisma, with fake tits that let her do nothing but fuck, practices her sole occupation on T. T. Boy's bone. She is as quiet as her chest is natural, and Boy appears to actually enjoy pumping his cock into the screaming slut's sopping slot, then pulling out to spew stick sauce all over it. Bionca's tease of Craig Roberts is a better bone builder, with her asshole being thoroughly licked, sucked and fucked. What's left isn't exactly elegant: Woody Long rubs himself off between Chanel's giant tits; K. C. Williams, Bionca and Chanel take turns with a shower massager; and Williams practices part-time safe sex by requiring Roberts to don a rubber before he pumps her pussy while she slobbers all over Boy's unprotected prick. *—Kent LeLak*

SWEET DREAMS

Half Erect. *Directed by Rusty Marinaro; starring Danielle Rogers, Heather Hart, Courtney, Sharise, Ashley Dunn, Randy Spears, Randy West, Scott Irish, Chanel and Anisa. Videocassette: VCA.*

The opening of *Sweet Dreams* looks dangerously like an all-slit fest as the guiding gash in Trinity Loren's script decide to have a slumber party. The expected barrage of sex fantasies gets its first dick from Randy Spears, who contentedly fucks Danielle Rogers's pussy from behind as she eats Heather Hart's hair pie. Tianna Taylor sucks the strength out of Scott Irish's staff only after he munches her muff with vigor. Randy West proves that it is possible to act like a gentleman and get one's staff in a shitter by oiling up Anisa's entire body before his bone gets anywhere near her perfect pair of holes. Upon pulling out of her, he spews spontaneously—which is what viewers should do, because the remaining lesbian depravity isn't the stuff of which spunk is made. *—K. L.*

TUSH

Half Erect. *Directed by Jim Enright; starring Joey Silvera, Bionca, T. T. Boy, Rachel Ryan, Steve Drake and Dallas St. Clair. Videocassette: Zane Entertainment.*

Only a seasoned pro like Joey Silvera could ignore all of the pussy in his presence as his wife, Bionca, vainly tries to get his pecker's attention. Screwing on the same bed as the somnambulant Silvera, T. T. Boy's bone gets a tour of Dallas St. Clair's gash and tonsils before he boffs her bunghole. Proving that pussy is great for breakfast, Bionca and St. Clair have an extensive sucking session, where nary an asshole or slot is left dry. St. Clair and Steve Drake's fuck would be completely forgettable except that it's nice to see a slut with jism dripping from her lips. And while Boy's tool may be in her snatch and shitter, it's the noise coming out of Rachel Ryan's mouth that will raise erections. After all of the sideline screwing, Silvera finally gets turned on to the Mrs., fucking her in the ass and then dousing her with a generous spurt of spew. *— K. L.*

CLOSE QUARTERS

Half Erect. *Directed by Scotty Fox; starring Tanya Rivers, Jonathan Morgan, Mike Horner, Alicia Rio, Jenna Wells and Kimberly Kitaine. Videocassette: Moonlight Entertainment.*

Nobody with a healthy pecker would want to see Archie and Edith Bunker humping, so *Close Quarters* provides a slut-stuffed substitute, complete with a laugh track. Jonathan Morgan is conservative Mike Horner's free-fucking brother-in-law who gets his rod sucked by Jenna Wells before spreading his spunk on the spread-eagled slut's stomach. Horner performs some stove-top snatch stuffing on Kimberly Kitaine, who takes his cum sauce on her rump. The vid's introductory fucklet is Tanya Rivers, who doesn't writhe much when she fucks and refuses to stoke weak egos by faking an orgasm. She looks in need of a cockle in her clamshell, and Horner obliges when he manages to tear his mouth away from her tits. *Quarters* doesn't break artistic barriers, but it at least builds boners, which, as any jaded joint jerker knows, is more important. *—K. L.*

Nikki Dial On Top

A moment of silence, please, while Nikki Dial, just a cunt hair over 18, climbs aboard and fucks the shit out of Jerry Butler in VCA's *Two Shades of Blue*, the latest romantic tangle from director Michael Craig. Dial, whose first job in the sex biz was in a B&D parlor ("I love it kinky," she says), also makes boners pop in *Out of the Blue 2*, *American Built* and *White Men Can't Hump*.

NOTHING BUT TROUBLE

One-Quarter Erect. *Directed by Jack Stephen; starring K. C. Williams, Debi Diamond, Ashley Nicole, Sharise, Steve Drake, Joey Silvera and Marc Wallice. Videocassette: Cinderella Distributing.*

Wise men say don't ever eat at a place called Mom's, play cards with a guy named Doc or watch porn films with titles like *Nothing But Trouble*. Joey Silvera is a wimpy guy who can't communicate with K. C. Williams; so he listens to his buddy Steve Drake and takes some social-skill instruction from pay-for-play mattress backs Debi Diamond and Sharise. Except for the gargantuan gullet of Diamond, who does some full-throating, *Nothing* is full of tedious toolings. With virtually no enthusiasm, both Williams and Diamond have their studs spunk in their palms in the first two scenes. This tape is perfectly titled. —*S. L.*

QUEEN OF HEARTS 3

Half Erect. *Directed by Jace Rocker; starring Britt Morgan, Angela Summers, Madison, Peter North, Malia, Alicyn Sterling, Joey Silvera, Tony Tedeschi, Devon Shire, Marc Wallice, T. T. Boy, Rocco Siffredi, Jon Dough, Tom Chapman, Tony Martin and Welmer Pasta. Videocassette: Pleasure Productions.*

As a defense attorney with an asshole for a partner, a traitorous secretary and a mob client, Britt Morgan has more to face than all of the hard cocks she takes in *Queen of Hearts 3*. The storyline outdistances the screwing, but that doesn't stop Morgan from taking Rocco Siffredi's shaft in a moving limo before swallowing his spunk back at the don's domicile. Soon after an aborted Britt blowjob, Joey Silvera convinces Malia to suck his dick fresh out of her pussy and let it shower her chin. Meanwhile, Madison, with Tony Tedeschi's tool, proves that she is one of the most powerful pussies in porn. She pleads with and taunts the tool wielder, eagerly coaxing his cum while humiliating him all the while. Morgan takes Peter North's pole in her pussy, Marc Wallice's hooked rod up her asshole and T. T. Boy's stiffy in her mouth simultaneously. Still short of her jizz quotient, Morgan swallows the spunk of every other stunt dick in the scene—and that's what makes a slut worth her hourly rate, no matter what the judge may say. —*K. L.*

Trouble *is perfectly titled.*

Morgan is the ***Queen*** *of triple penetration.*

THE ADVENTURES OF BUTTGIRL AND WONDER WENCH

Half Erect. *Directed by Rush Adams; starring Heather Hart, April Rayne, Cameo, Taylor Wane, Ron Jeremy, Jerry Butler, Steve Drake, Holly Ryder, Stacey Nichols, Avalon, Kimberly Dawn, Joy Ryder, Cal Jammer, Tony Montana and Biff Malibu. Videocassette: AFV Releasing.*

Even though the Bat, the Cat and the Penguin grabbed all the hype, the indefatigable work of real superhero holes like Buttgirl (April Rayne) and Wonder Wench (Heather Hart) truly deserves our attention. The dickless duo only rolls into action twice, but what a *zap! pow!* peter punch it is. They go from being victims to victimizers of bad guys Steve Drake and Cal Jammer in a down-and-dirty alley rumble, complete with a double facial that's so juicy, a huge *splat!* should be flashed across the screen. The horny heroines finally meet up with Poker (Jerry Butler) and Penguin (Ron Jeremy), in a quaking climax with a ballistic butt-plugging of Rayne by Jeremy. Taylor Wane's appetizing analingus of Cameo's cornhole caps off the action. —*S. L.*

Holy cum-shot, ***Buttgirl,*** *it's a Possum City orgy.*

THE SEDUCERS

Half Erect. *Directed by Jim Enright; starring Tianna Taylor, Marc Wallice, Dynamo Hum, Patricia Kennedy, Peter North, Sonya, Melanie Moore, Joey Silvera, T. T. Boy and Christine Appleigh. Videocassette: Zane Entertainment.*

The Seducers' five fucks, including a ho-hum dyke yawner, are all staged in an attempt to be slow and sensuous, but end up being just slow. The starlets finally get hot when the cork is about to pop, but probably only because they know the scene is about to end. Sultry Sonya melts Peter North's pole with sizzling snatch and lascivious lips; cock-stiffening cutie Christine Appleigh takes a T. T. Boy blast on the chin; Joey Silvera squirts Melanie Moore's mug with wad; and Marc Wallice bastes the giant tits and lips of redhead vixen Tianna Taylor. Hardly seductive. —*W. H.*

LETTERS

(continued from page 15)

my tongue underneath, to gather as much of her precious pussy dew as it could hold. She was wet and tasted like a fresh summer melon. I continued running my tongue through her musty trough when I thought I heard a heavy thud sound coming from the trunk.

I lifted my head and looked curiously toward the back of the car, but she grabbed my face and said, "Spank me!"

I stared in awe at that large, wealthy chunk of butt and saw a lifetime of failure within its cushy dimples. "Fuck you," I said aloud and whapped my hand across one of her cheeks. The sound reverberated off the leather interior as I brought my hand down again. My hands were rapid-fire, leveling blow after blow against her buttocks. "Bitch!" I roared. Every time she felt the sting, her whole body quivered against the dash. "Phony cunt!" Her almond cheeks were now plum red. "Wealthy whore!" I was ready to come.

She moved away from the wheel, looked at the traffic, and ordered me out of my jeans. Crazy glue couldn't have kept them on. We changed places. I reclined in the driver's seat, while she hastily mounted my bursting cock. This was no time for tenderness, apparently, as she vigorously fucked my stick. She flexed her cunt muscles like she was racing to beat the clock. She slid up and down my pole with such a vengeance, I thought her ass cheeks would crush my balls every time she hit bottom. She leaned over and, grabbing those two enormous mounds of flesh, shimmied her chest to tit-slap my sweating face. I remember a nauseating smell, like chlorine, that made me feel dizzy, even before she smothered me with her cleave; I now really couldn't breathe. I tried to push her away, slapping at her boobs like punching bags. But she wouldn't relent. "That's it," she shrieked, "hit me!" Grabbing my wrists, she set my hands against her throat, and urged me to grip her tightly around the jugular.

She was really freaking me out, but not enough to stop my sperm. As the moment came, I tried to pull out, figuring she didn't want me to irrigate inside. But the harder I tried to pull away, the deeper she pressed her pussy into my pelvis like a vulva-vise. My temples were throbbing so hard I could've sworn I heard that strange bumping sound from the trunk again. Finally, I sloshed a tremendous load inside her pussy as my grip instinctively tightened around her neck.

My eyes were still closed when she removed my hands and clasped a handcuff from my wrist to the steering wheel. She bounced off my prong and, with semen dripping out of her box and onto my leg, she moved to the passenger side of the car.

"What are you doing?" I stammered, curious as to where this fit into the game. She picked up the cellular phone, smiled and, in one swift blow, smashed it against my forehead. I was in a haze as she snarled with evil delight, "You're nailed, fuckhead!" She seemed possessed and aroused.

A moment later I saw the swirl of bright red and blue lights flash from behind. My head still echoed a palpable thump as she ran, half-naked and shrieking, to the approaching cops. She had apparently called 911 after she slammed into me and planned this elaborate setup. Now I'm stuck in prison on rape and assault charges and no one—not even my fuckhead, court-appointed lawyer who moonlights as a bricklayer—will believe me. You know what? I don't even care if readers believe me either, because, guilty or not, the bastards will get everyone some day! —Name Withheld at Advice of Legal Counsel

ALL THREE UNIVERSES?

It's an honor to have my pen in hand to write HUSTLER Magazine and extend my many thanks. HUSTLER is by far the best thing to ever be stapled together.

I'd like to start with the traditional "I've never wrote and have read your mag for years...." I have good and bad news for my fellow readers of the flesh. Good: Jade of *Beaver Hunt* (*Beaver Hunt*, September '92) is the best-looking creature to walk out of all three universes! Guys, that looks like a *Beaver Hunt* Grand Prize winner to me! Let's all give a hearty three cheers for Jade!

The bad news was having to read "Okay, Mom" ("Okay, Mom," *Feedback*, September '92) from L. P. of Marina Del Rey, California. L. P., are you on acid? Pull it together already! After reading "First Amendment Test," by S. C. S. of Pendleton, Oregon ("First Amendment Test," *Feedback*, September '92), I had to look back to June's "Funny Smell" ("Funny Smell," *Feedback*, June '92). Sorry I even looked at the damn thing! Who in the fuck does S. S. from Calgary, Canada, think he is? And would S. C. S. like to help me knock him off his high horse? Keep up the good work, men! HUSTLER for the rest of the world! —S. L. S.

Oshkosh, Wisconsin

PLEASURE CRUISER

This year will mark my fifth anniversary in the Merchant Marines. I have circumnavigated the world at least five times, and the countries I've been to cannot compare to the U.S. Why? Because they don't have HUSTLER Magazine! I helped move supplies to Kuwait during Operation Desert Storm. During that difficult time, HUSTLER really inspired courage, determination and motivation. It may sound a bit weird that a skin magazine can inspire such bravado, but try to imagine yourself on a tanker shipping J-P 4+5 jet fuel and C-tane diesel with no defensive armaments or Navy escort. I worked in the engine room as an engineer's assistant, where there was no escape but HUSTLER. If there are words to say how much gratitude I feel for HUSTLER, I don't know them; so I'll just say "Calm winds and smooth seas." —P. B.

Honolulu, Hawaii

VANNA ON DECK

I doubt you give a shit from a rat's rosy, red ass about my opinion, but what the hell, here it is anyway!

So far this year, the best-looking bitches in your magazine have been Jessie (*Jessie: Fly Fishin'*, May '92) and Vanna (*Vanna: Glam Slam*, August '92). I hope to see these wenches soon in a centerfold position, or at least giving some poor stud a good licking! —J. K.

Buffalo, New York

VANNA OVERBOARD

I've been a HUSTLER reader for 11 years. In that time, I've seen a lot of luscious ladies grace its pages. But never in all that time did I think I would fall head-over-heels in love with a picture princess. Vanna (*Vanna: Glam Slam*, August '92) has stolen my heart. What I'd give to have her, not just for five minutes, but for an entire lifetime! Every man has a fantasy woman. I can honestly say that Vanna is mine. I'd really like to know her, not just because she's beautiful, but because I know she has feelings, hopes and dreams too! —R. R.

Dumfries, Virginia

Vanna: Glam Slam

TIGHTWAD

I think that shaved, tight, small cunts are the best. Big pussies are for baseball bats and poles. Tight cunts are for big cocks. —J. T.

Orlando, Florida

GAY CANOOK

It's been a long, long time since I bought HUSTLER—since your magazine no longer shows pretty, bare feet. I've turned to *Playboy*. It has good articles and features, which HUSTLER lacks. Pity. HUSTLER is capable of so much more. —M. B.

Toronto, Canada

September's Karen and Deidre (Karen and Deidre: Postcards from A Lay, September '92) and October's Honey, Lacy (Lacy: Hothouse Pink, October '92), are three recent HUSTLER beauties completely bare from head to foot. That's an average of 15 toes per issue!

GOOD QUESTION

I've been reading your mag for about ten years now, and I don't recall seeing so many letters

from whiners as I did in HUSTLER's September 1992 issue. Why don't you tell these dumbshits to fuck off? If they don't like it, why do they buy the damn thing? —T. N. A.
Panama City, Panama

Apparently, T. N. A., a few of our Canadian readers pick up HUSTLER to find a reason to switch to Playboy. Pity, ain't it? Playboy is capable of so much less.

PICTURE PERFECT

I'm sorry to say I've missed a couple of HUSTLER issues. When I finally picked up the August 1992 copy, I was impressed, as always. When I got to *Coming Next* (*Coming Next Month in HUSTLER*, August '92), I was captivated by the illustration of the dark, spur-clad sultress. I'd love to see more of this sort of erotic fashion. If I could draw, illustrations like that are what I'd be doing. Please give me an address of where I can get my hands on such fantasy fashion. Whoever did your illustration, you should keep very busy! —J. C.

ASSIST INSIST

I have to let you know how much I appreciated your " 'rhoids" contest ("Hemorrhoids, the Grapes of Wrath: Show Us Your 'Rhoids!" *Bits & Pieces*, September '92). That's what makes HUSTLER unique. But what happened to the girl/girl spreads? They're becoming monotonous—all the same poses. Let's see some tits smashed in mouths, deep-kissing mouth to mouth, full lip contact. Let's also see spreads on celebrities. Do the paste-the-face-on-the-model tricks you've already proved can be done. Let's see Christina Applegate and her TV mom on each other!

HUSTLER says it wants to hear from its readers, but all it does is publish letters and continue on its course of increasingly lame spreads. Let's see some real action, taken from the suggestions of readers. I don't want to feel like I'm wasting my time writing and not being heard. C'mon, HUSTLER, I wanna get old with you. But I don't want the spreads getting old and tired. Take a word or two of advice from the people who supply your bread and butter. It doesn't matter if you print this or not, but please let someone read it who honestly gives a shit about what a devoted reader wants. —J. H.

WHO GIVES A SHIT?

Dear HUSTLER: I got a brilliant idea I've been tossing around for a product line. Kind of a crack-up. You know how sleeping bags for kids have cowboys and Indians on the inside pattern, and ones for hunters have ducks and deer, etc.? Well, since some people use sleeping bags for fucking, why not have ones with patterns of people fucking? There could be a basic couples-fucking design, an orgy design, and, of course, with San Francisco in mind, gay and lesbian bags.

Mine would be the "choking the chicken while looking at HUSTLER" design.—S. S.
Mountain View, California

LENS CRAFTER

I'm writing to say I love HUSTLER. It has the best photography of any men's magazine. But the shooting angles in *Club* and *High Society* are nastier and more provocative. Remember, the shooting angle is the camera's viewpoint of the subject. The angle can contribute greatly to the impact of the nude. Maybe HUSTLER needs more pictures taken from a low angle to exaggerate height and make the girls appear more powerful and authoritative. —D. S.
San Juan, Puerto Rico

WANTED: PEBBLES

I'm black. My girlfriend is white and bisexual. In HUSTLER's September 1991 *Beaver Hunt* there is a female named Pebbles. We'd like to see more of her. I'd love to fuck her while my girlfriend watches. —R. G.
Colorado Springs, Colorado

HOLD THAT THOUGHT

I wrote HUSTLER a few days ago regarding Pebbles in *Beaver Hunt* (*Beaver Hunt*, September '91). I wrote about fucking Pebbles while my girlfriend watched. I've changed my mind. I would like Pebbles to meet my son instead. I believe they would get along great. I'm hoping Pebbles will answer this query regarding my son. Here goes:

Dear Pebbles: Hi. I wrote HUSTLER about you fucking me while my girlfriend watched. I've changed my mind because I want you to meet my son. He's about the same age as you, a little shy but I believe you can bring him out. He loves collecting comic books. He stands about 5-8 and weighs about 160. I haven't seen him for almost two years, since he joined the Army. I'm asking you to write my son. I believe he will like you, because I love what you did when you took your *Beaver Hunt* photo in front of the U.S. flag. —R. G.
Colorado Springs, Colorado

The ball's in your court, Pebbles! If you'd like to meet a shy, comic-book collecting GI your age, let Feedback hear from you. P.S. to the rest of the world of HUSTLER readers: This is a one-time-only singles-match offer in Feedback. We will never again hook up a reader with a Beaver!

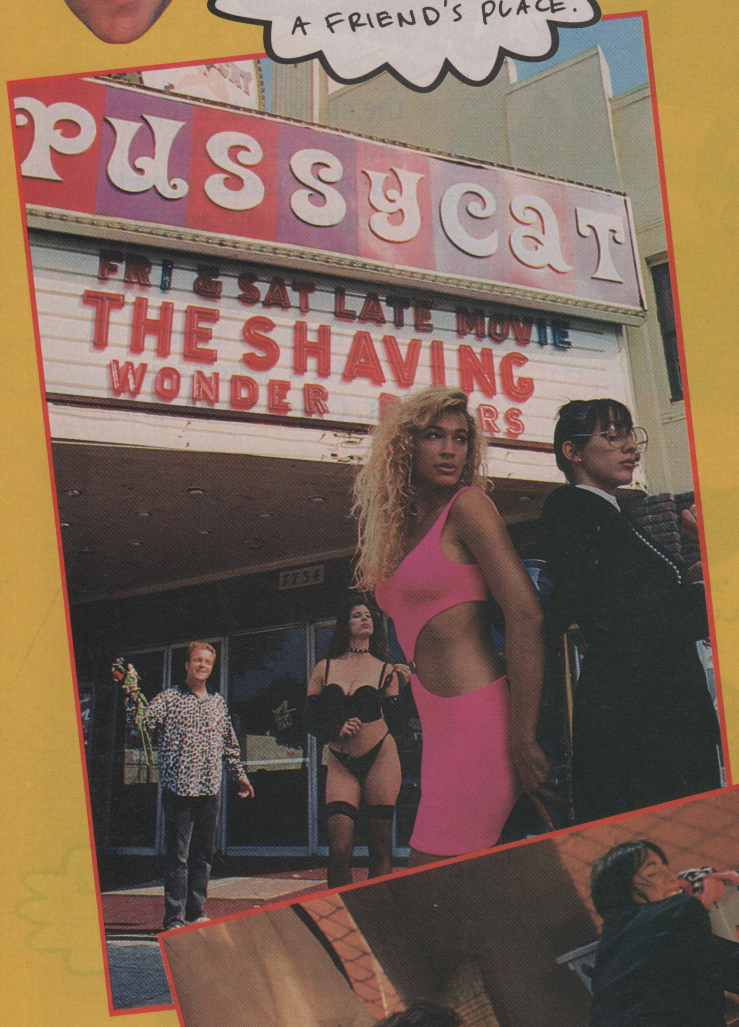
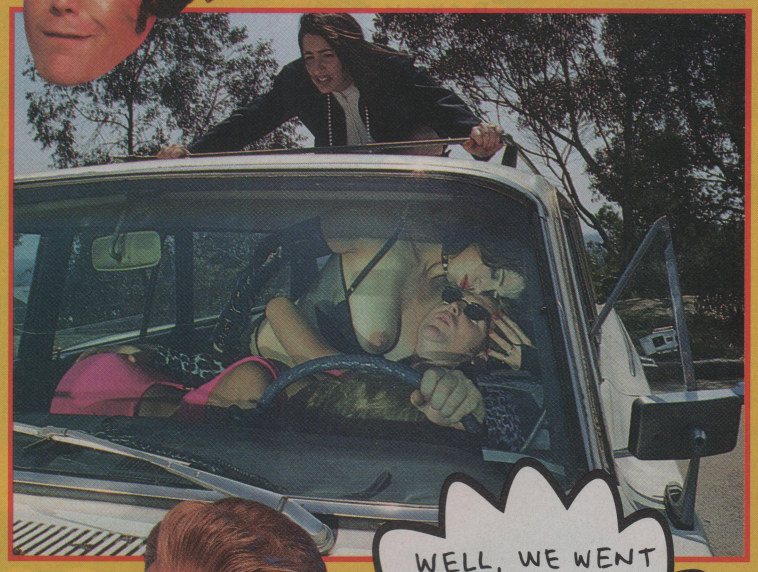
PLEASE WELCOME OUR FIRST SLUT, JASMINE. WHAT'RE THOSE, C-CUPS?
D, CHUCK.
MAY I RUN MY HAIR ACROSS THEM?
I'D LIKE THAT.
SLUT CONNECTION
Welcome to
SLUT CONNECTION
the show that exploits human sexuality and promotes promiscuity in the age of AIDS. The real game is making it through alive. Now, here's our host, Chuck Woolworker.
VERY NICE, BUT I THINK MY HAIR IS STUCK.
OUR SECOND SLUT, MS. STRESS, LIKES MEN WHO ARE...
WORTHLESS PIECES OF SHIT LIKE YOURSELF.
MAYBE WE SHOULD MOVE ON TO SLUT NUMBER THREE.
SHE'S A FEMINIST WITHOUT A NAME.
I'M HERE TO DENOUNCE THE EXPLOITATION OF WOMEN.
IN THAT CASE, OUR STUD CHEEZBOY WILL TELL US ABOUT HIS DATE, WHILE I SLIDE TWO FINGERS IN JASMINE.
SHUT THE FUCK UP AND SHOW ME YOUR TITS.
I WILL NOT BE REDUCED TO BODY PARTS...

I DECIDED TO DATE THEM ALL AT ONCE, AND MET THEM AT A FRIEND'S PLACE.



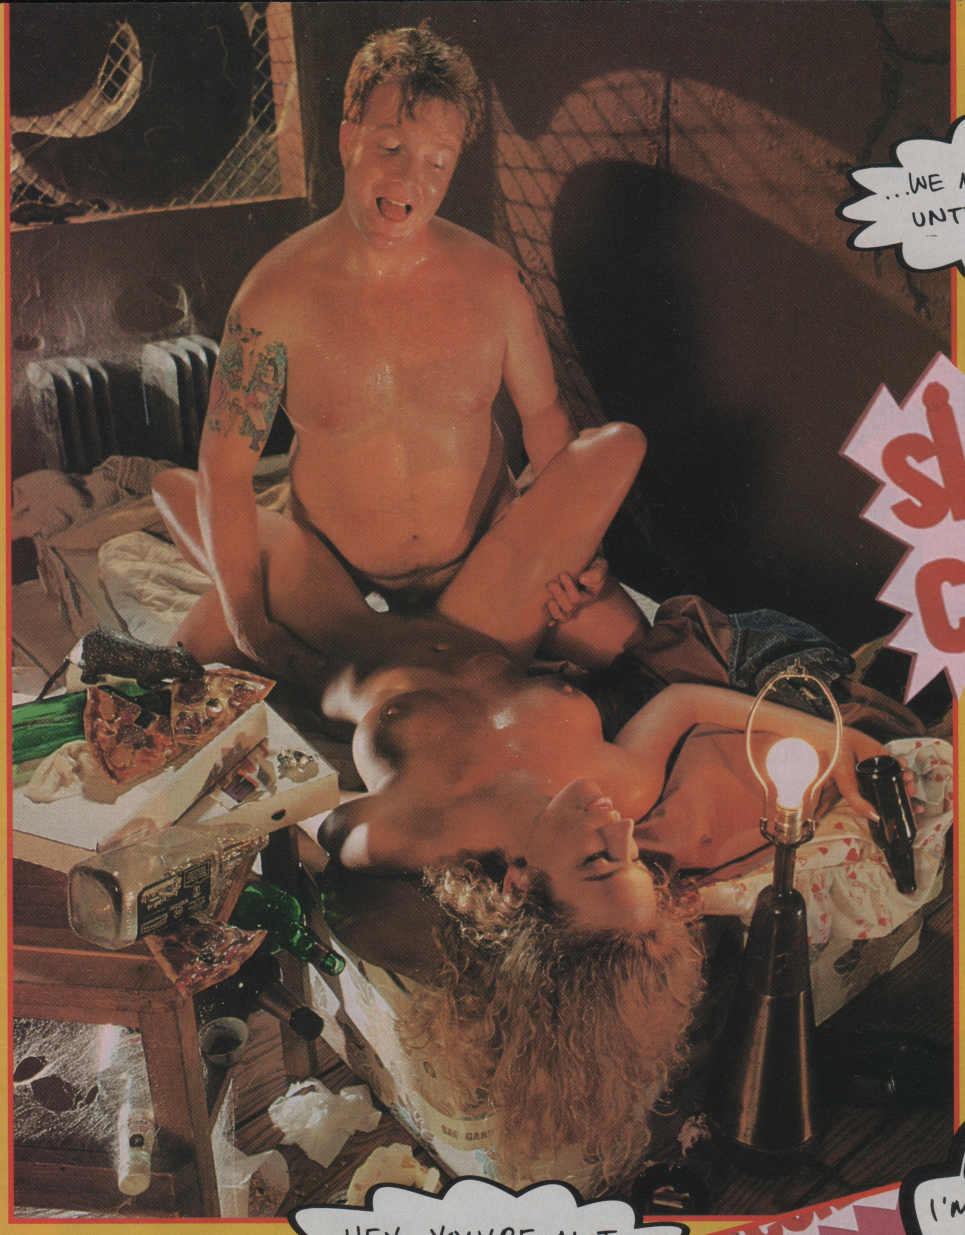
WHO CARES!! WAS THERE ANY ROMANCE AT THIS POINT?



WELL, WE WENT FOR A ROMANTIC DRIVE. I STARTED FEELING CLOSER TO A COUPLE OF THE SLUTS.

WE WENT BACK TO MY PLACE AND DISCUSSED CARTESIAN DUALISM. IT TOOK SOME TIME TO CONVINCE THE FEMINIST, BUT THEN, I, TOO, WAS HAVING TROUBLE SUPPORTING MY POINT.

YOU TWO HAVE ALOT IN COMMON.
SO, TELL OUR AUDIENCE, WHO WAS THE BIGGEST SLUT?
EXIT
SLUT, CHUCK. THERE WAS SOMETHING ABOUT HER CLOSED EYES AND SLOW HEARTBEAT THAT REALLY TURNED ME ON...



...WE MADE LOVE FOR HOURS, UNTIL SHE FINALLY CAME TO.

SLUT CONNECTION

HEY, YOU'RE NOT CHUCK WOOLWORKER!

WELL, LOOKS LIKE WE'RE OUT OF TIME. I'M SOME PORK-BELLIED ASSHOLE, SAYING, "I HOPE ALL YOUR DATES END IN SLEAZY FUCKS!"

(continued from page 29)

TOO LATE!

My wife and I enjoy HUSTLER very much. I, the bisexual husband, agree with J. F. of Carbondale, Illinois ("Next!" *Feedback*, September '92), who confessed he'd enjoy seeing two-men/one-woman layouts. My wife's got 32-inch tits, which I love very much, even though she always puts them down, wishing they were bigger. Now, C. D. from Lincoln, Nebraska ("Plug Ahoy!" *Feedback*, September '92), who loves eating pussy but can't find any—well, my wife loves having hers eaten. I'd surely like C. D. to eat her pussy! About L. C., the housewife from Cypress, California ("Mouthful," *Feedback*, September '92): I'd love to send her my wife's small tits, plus get together with J. F. from Illinois! Just thought I'd write a few lines letting these other people know how I feel. Also, J. F., I'm a TV who swings with my wife and single or married men at home! —TV Husband and Wife
St. Louis, Missouri

HOODWINKER

I'm a staff sergeant serving in the U.S. Air Force. Though stationed in Germany, I am currently employed in Turkey, in support of Operation Provide Comfort. Here's my problem. One night, a GI friend told me about his girlfriend back in Germany. It seems that this girl is from Zimbabwe, Africa, and according to this guy, it is customary for many women in that part of Africa to have their teeth pulled to better please their men during oral sex. He also stated that to preserve their virginity, many of these women prefer to be fucked in the ass. Was this guy pulling my chain, or should I immediately book my flight to Zimbabwe? —C. S.
Operation Provide Comfort

Where's your patriotic spirit, brother? There are plenty of toothless, ass-dragging women right here in the USA. Think America first!

NOTHING BUT CREAM

Reading HUSTLER is always a pleasure! The girls are gorgeous, and so are the locations in which they are photographed. Beautiful vistas of beaches, lakes, forests, mountains, deserts and oceans, as well as elegant interior decorating enhance the heavenly bodies displayed month after month. The August 1992 edition is a fine example. The sets and cock-raising costumes for Vanna (*Vanna: Glam Slam*, August '92) and Melissa (*Melissa: Cream Rises*, August '92) elegantly complement their titillating features. And the golden sand and palm trees on the beach for Nat and Sal (*Nat and Sal: Baste to Taste*, August '92) beckon me to swim to shore to offer these wanton sluts my hard cock, to use as their desires dictate. —K. R.
Long Island, New York

EFF U. SEE K.

I'm a regular reader of HUSTLER—that is, whenever I can get a copy here in Scotland. Your September '92 edition of *Beaver Hunt* is particularly good, but your pictorial of the super girl with the dwarf was not a turn-on (*Varisa and Napoleon: Big-Top Pop*, September '92). Keep them young, less freakish and with plenty of pink!

By the by, did you know that when the EEC regulations take effect in 1993, HUSTLER will be on open sale in newsstands in the U.K., as it is in most of the European community? —T. L.
Glasgow, Scotland

HUSTLER—America's magazine for Britain too? Oh, well. Let bygones be bygones.

Do you have a comment, suggestion or complaint? We want to hear it. Send your letters (typed or neatly handwritten) to HUSTLER Feedback, 9171 Wilshire Boulevard, Suite 300, Beverly Hills, CA 90210. Include a phone number if you want your letter considered for publication.

Cry Rape

The Feminist Crime Against Women

by Rene Denfeld

Walking to the bus stop one morning, Sara S., a professional paralegal, caught the attention of construction workers across the street. One whistled lewdly. Sara blushed as she quickened her pace.

Waiting for the Number Seven, she found herself in conversation with a young man she had spoken to once or twice before. As they made small talk, his eyes strayed to her breasts. She wished she'd worn a bra. Clumsily asking her out for a drink, he stood rather close and said he'd like something more than beer. Sara made excuses and hopped on the bus.

Later that day, one of the senior partners at her law firm congratulated her work on a case, complimented her appearance and gave her ass a furtive pat as he promised to put in a good word at her next performance review.

Come evening, after a quiet dinner with her boyfriend of eight months, Sara felt tired as she relaxed on the couch. Moving beside her, her boyfriend rubbed her shoulders and nibbled her neck. She didn't feel like having sex—it had been a long day. But her boyfriend seemed excited and affectionate; so she decided to go ahead. Maybe she'd get into it once they started, she thought. As it happened, she was right. Pleasantly exhausted, she closed her eyes. Her boyfriend pulled the blankets around them both and gently stroked her hair until she slept.

Sara S. had just been raped. As a matter of fact, she was victimized by rape or attempted rape four times that day. The construction workers who whistled at her raped her, as did the man at the bus stop who made a suggestive comment, according to a pamphlet circulated at Pennsylvania's Swarthmore College which defines "verbal harassment and inappropriate innuendo" as rape. She narrowly escaped being raped again by her boss; so writes Carol Pritchard, author of *Avoiding Rape On and Off Campus*. Pritchard calls "unnecessary touching" a form of sexual harassment akin to rape. And when Sara had made love with her boyfriend, she was assaulted for the fourth time that day, according to Robin Morgan, editor of *Ms.* magazine and author of *Theory and Practice, Pornography and Rape*. Morgan writes that rape happens any time sexual intercourse occurs when it has not been initiated by the woman out of her own genuine affection and desire. Since Sara didn't initiate sex and wasn't feeling desirous, she was raped once more—even if she didn't know it.

Publicizing rape definitions as varied as these is the mission of a separatist faction of feminists whose magazine, book and newspaper reports are derived from a handful of studies that take the legal definition of rape and stretch it to produce statistics that support their radical ideology. These activists believe women should cease all intercourse with men, whether sexual or social.

Exaggerating the parameters of the single most prevalent male crime against women is a tactic designed not only to change the way men and women relate, but to wreak havoc inside the women's movement itself, where the emotional sensationalism of male-bashing and separatism almost eclipse the relatively assimilative issues of equal pay, opportunity and choice.

Two studies, one by radical feminist Diana Russell, author of *The Politics of Rape*, and the other by University of Arizona professor Mary P. Koss, are the primary sources behind the most notorious cases of inflated rape statistics.

Russell's study, completed in 1984, concluded that 44% of the 930 women she surveyed were victims of rape or attempted rape.

Many researchers begin with a hypothesis. Few who value the integrity of their results go to the lengths Russell took to ensure hers panned out. Prior to research, the interviewers who gathered her data were trained in workshops designed to increase their "awareness" of *rape*, a term, Russell wrote, defined to include such commonplace

annoyances as random obscene phone calls. As a means to capitalize on the greatest generalities of response, she advised her interviewers never to specifically mention the word *rape* in their inquiries, leaving that determination up to Russell herself.

Researcher Dr. Gary Pearlstein, criminology expert and professor at Portland State University in Portland, Oregon, denounces Russell's study as scientifically flawed. "By Diana Russell's definition of rape, every other man in the world could be considered a rapist—and many of the victims may not even know it," he says. According to Pearlstein, in proper research, neutral, concise questions and impersonal situations lead to accurate findings. More often than not, he believes, Russell's findings were forced. For example, one of Russell's interview questions was: "Before you turned 14, were you ever upset by someone exposing their genitals?" Those respondents who answered "Yes" Russell automatically classified as victims of childhood sexual abuse and incest—a whopping 54% of the test group.

Published by *Ms.* magazine, Mary P. Koss's rape study surveyed more than 6,000 students nationwide. She concluded that 27.5% of the female subjects were victims of rape or attempted rape. While Koss followed most legal definitions of rape—penetration obtained under force, threat of force or incapacitation—many of her questions were open to numerous interpretations. For example, Koss's query "Have you ever had sexual intercourse when you didn't want to because a man gave you alcohol or drugs?" could easily define grudging yet consensual exchanges of sex for drugs—or even too much wine at dinner—as acts of rape. Out of all the women categorized as rape victims in Koss's study, only one quarter actually considered themselves victims of rape.

"If [a researcher] has to convince a woman she's been raped, how meaningful is that conclusion?" asks journalist Stephanie Gutmann, who extensively researched Koss's *Ms.* study for *Reason* magazine, raising the issue that Koss's questions were geared toward obtaining a predetermined conclusion. Psychologist Kalman Kaplan from Wayne State University in Detroit, Michigan, confirmed to Gutmann that a person who answers yes to one question is more inclined to answer yes to another.

Despite the questionable methods behind these two studies, mainstream media sources have reported Russell's and Koss's rape findings as facts. Their statistics have been published as accurate by high-profile magazines *Time*, *Newsweek*, *Glamour* and *Seventeen*, and many respectable institutions accept them. "The national data is that only 8.7% of all women in America will escape being hurt in one way or another in their lifetime. That means almost all women are going to get it," says Susan Hunter, executive director for the Council of Prostitution Alternatives, a Portland, Oregon, social-service agency. Hunter says many of the numbers her agency cites come straight from Russell's study.

Researchers who aren't getting much attention are those whose credible reports directly refute the inflated numbers. The Federal Bureau of Justice interviews nearly 100,000 people biannually. In 1989, it determined that roughly one out of every 1,000 women were victimized by rape or attempted rape, including reported and estimated unreported assaults. Based upon a decade of research, the Bureau of Justice estimates an American woman's lifetime likelihood of rape and attempted rape is roughly one in twelve. The figure is undeniably frightening, but a far cry from one in four.

But extreme statistics have media impact, and Koss and Russell have an agenda to push—that of redefining rape out of the arena of criminal assault and into consensual sexuality. This is the goal of feminist separatism. "Violence is male; the male is the penis; violence is the penis or the sperm ejaculated from it," writes feminist separatist Andrea Dworkin in her book *Pornography: Men Possessing Women*. Dworkin maintains that all men are rapists and not to be trusted. "Sexual fun and sexual pleasure," she claims, "are inseparable from brutality."

"It appears that a large percentage of the male population has a propensity to rape," concludes researcher Russell. She suggests that women should "refuse nurture, solace, support and approval. Let us withdraw our worship [of men]."

"Men of all ages fantasize, voyeuristically, scenes of whorehouses and gang rapes; scenes of rape and mutilation; scenes of seduction and strangling...these are the images behind closed—or opened—eyes, when they fuck," writes Phyllis Chesler, author of *About Men*.

In the effort to push their agenda of hatred and distrust of men with lies and false panic, feminist separatists undermine the real horror of rape, whose shattering violence they dilute with a smokescreen of numbers that, by including not only consensual sex but non-sexual activity, become meaningless. The trauma of victims of actual rape has become a tool to promote a politically motivated moralistic crusade—victimizing the sufferers once more.

The Inflammatory Life and Paintings of Robert Williams

Profile by Alex Marvel

The art of Robert Williams has been displayed on Hell's Angels, hot rods and a Guns N' Roses album cover. He is hailed, he is hated, and his time has come.

WILLIAMS

Felch comics was an entire volume dedicated to sucking the semen from a freshly butt-fucked woman's anus. Williams was a natural contributor.

To a real man, art is a pretty useless thing. Paintings and sculptures and shit like that are housed in large structures known as museums. There is no need to enter such buildings, because very rarely will any girl worth picking up be found in the "cultured" environment. However, a more carnal branch of the arts does exist, a strain of visual expressions that not only pleases the eye, but tingles the penis, shoots adrenaline to the brain and attracts loose, sex-smart chicks wherever it is shown. The king of Lowbrow Art, as appreciated and revered by juicy-butt beauties coast-to-coast, is Robert Williams, a painter who is to the established art world what Guns N' Roses are to Barry Fucking Manilow.

A typical art opening consists of a few dozen testicle-dead guys being dragged from bland color swatch to boring charcoal scrawl by face-lifted prune pussies as an artiste-of-honor sucks coyly on a cigarette holder and tries to restrain his beret from slipping too far over one eye.

In contrast, when a new batch of Robert Williams's mayhem canvases are unveiled, the gallery is besieged by legions of high-heel, sly-thigh, best-breast lovelies, and the kind of male scumbags who go for that sort of thing. The street outside will fill with hot rods (one of them, a primer-red, '32 Ford, belongs to Williams) and roaring Harleys. Robert himself will stand in T-shirt and jeans, shifting from foot to foot with his arms crossed over his chest or his hands thrust in his pockets. His eyes scan the assemblage like those of a grifter watching for the arrival of the plain-clothes vice squad. Crowds of lascivious and unlikely art patrons spill out across the sidewalks. Police may be called in to restore order.

What do the hormonally charged hordes see in Williams's work? Keep in mind that the paintings are better (as in, more disturbingly arousing) seen than described. Here's what to look for: Lots of "nekkid ladies" whose tits and asses are rendered with a voluptuousness that would be common to every living woman if only this were actually the best of all possible worlds. Mixed in with the ever-present stacked, butt-packed strumpets are images of death, violence, decay, fear, chaos—visual intimations of the destructive forces of modern man and the supernatural that lurk just beyond our waking perceptions of everyday events and objects. This anxiety-provoking swirl of libido and encroaching mortality is painted in the brash, crowded landscape of a chrome-plated, candy-apple cartoon nightmare.

The paintings must be seen to be believed. Even then, some doubts will remain.

Not everybody likes them.

* * *

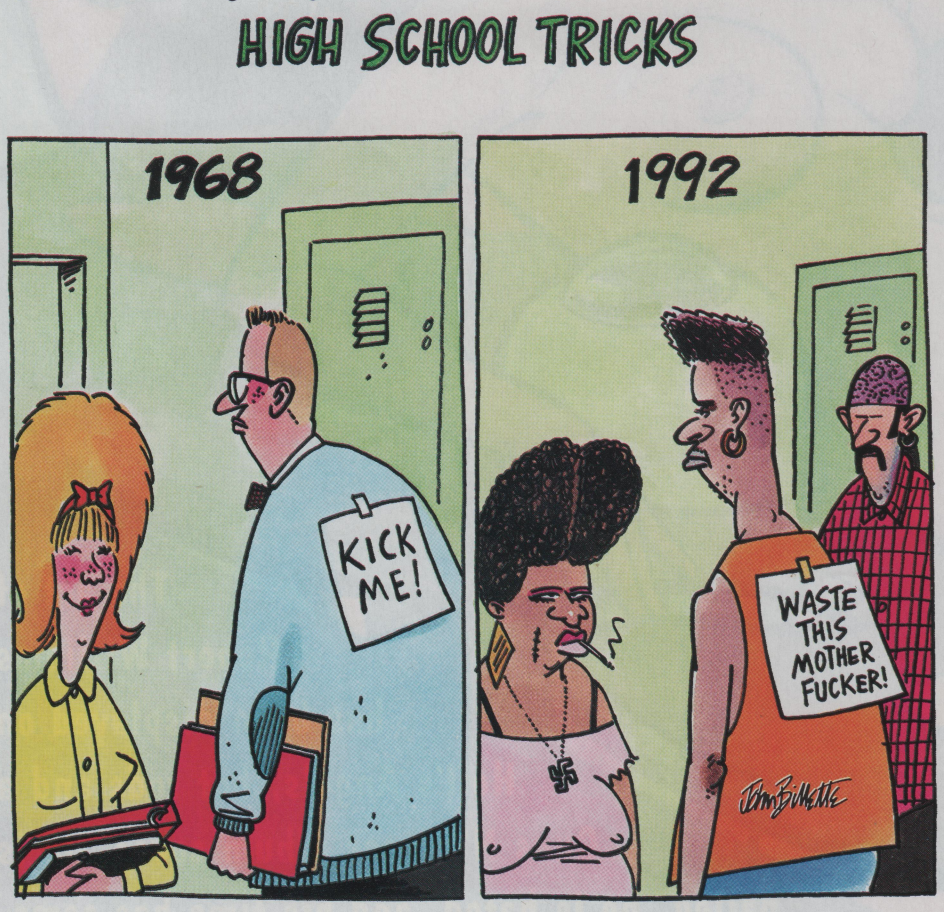
Robert's first bad reviews came from agents of the federal government.

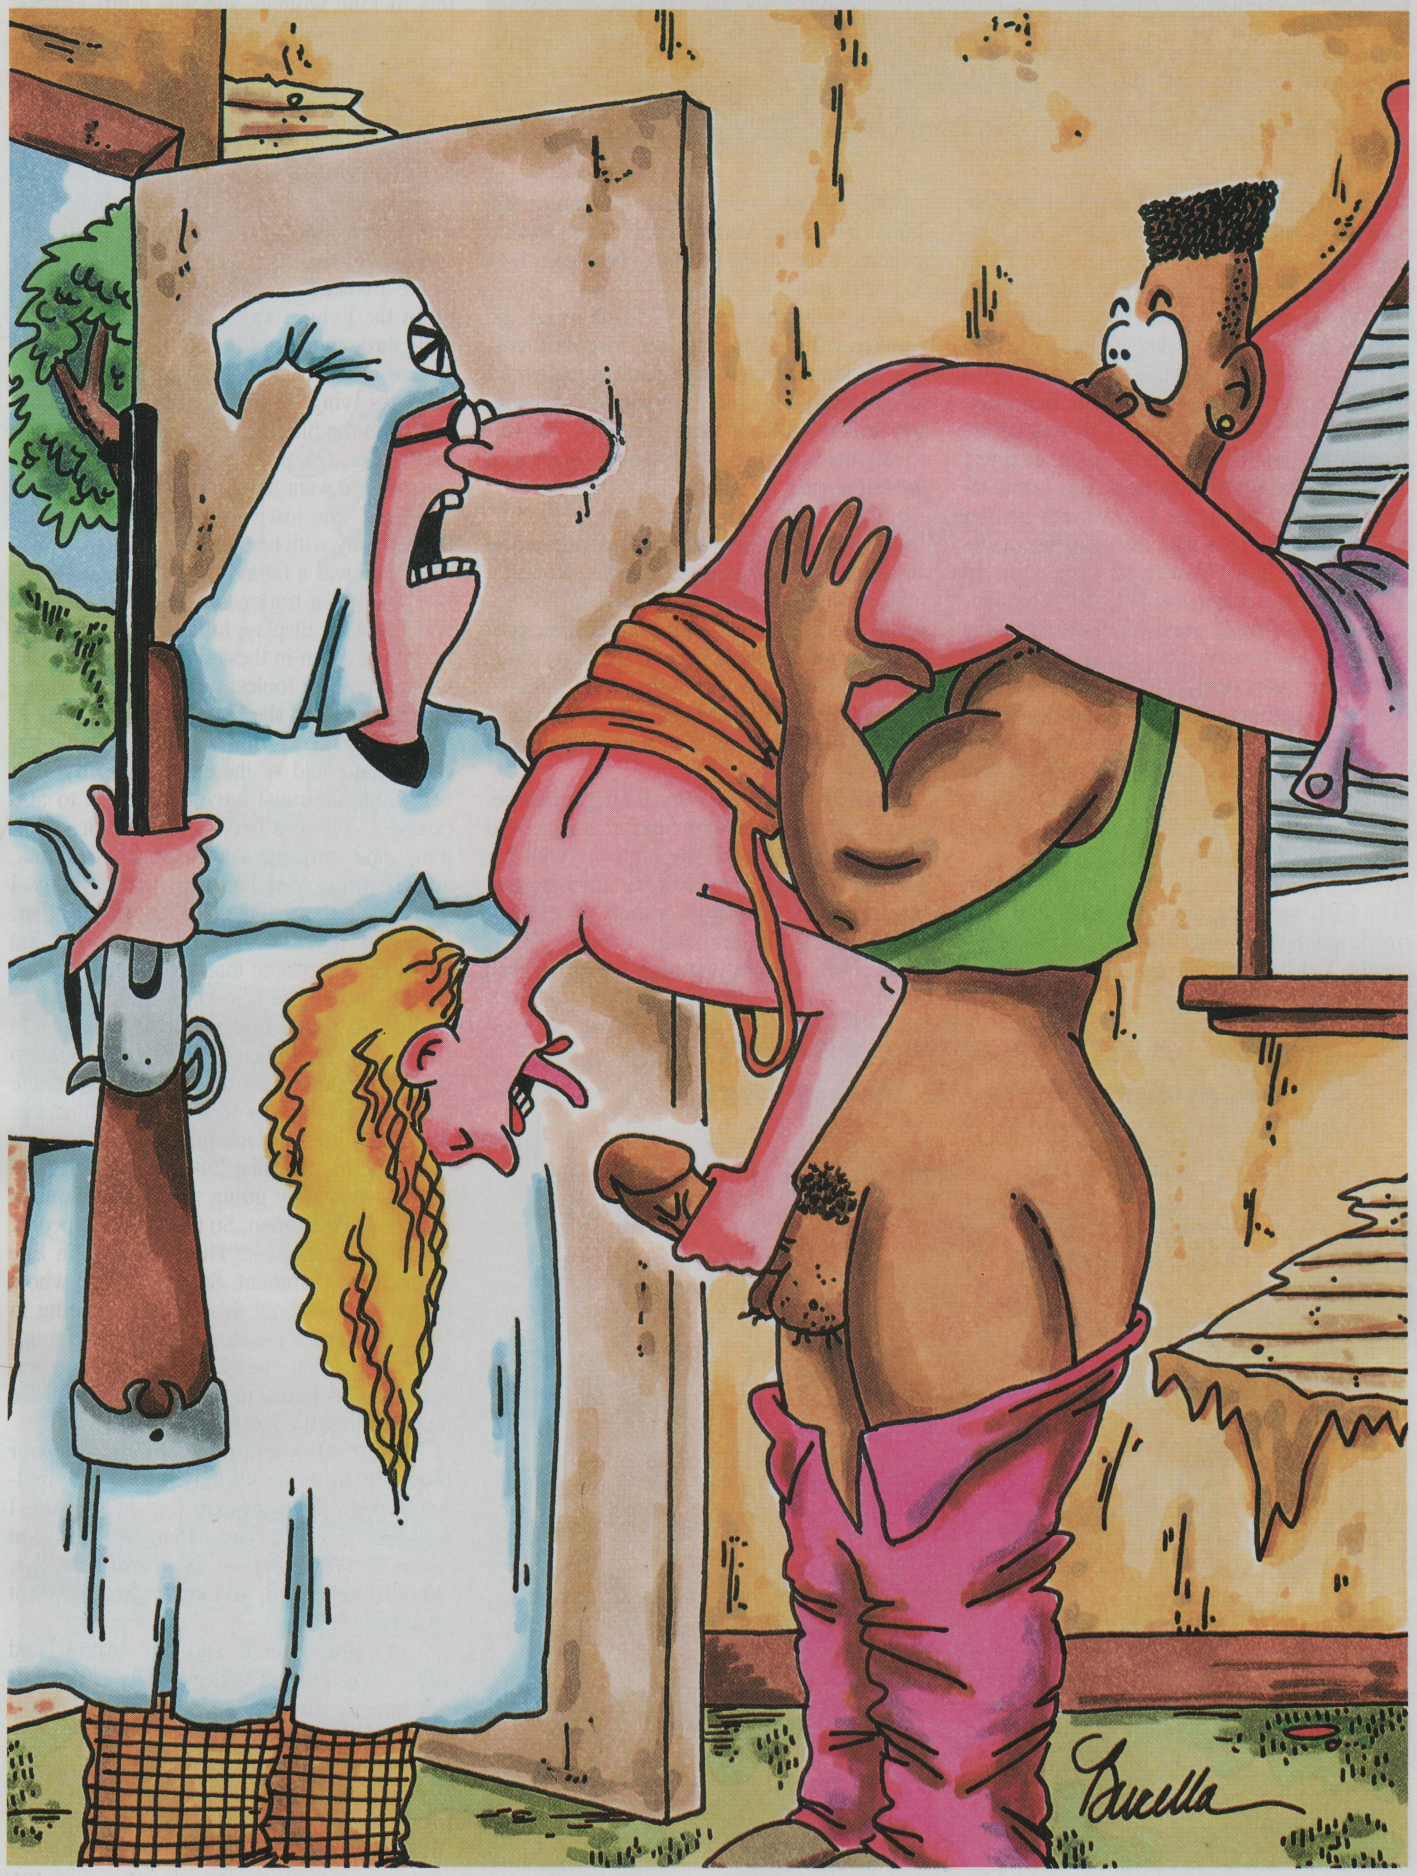
Way back in that decade of revolt—the '60s—Robert Williams was already an iconoclast among rebels. He'd honed his talent for trash visuals by designing biker tattoos and T-shirt emblems for Ed "Big Daddy" Roth, a legendary West Coast car customizer, creator of the Rat Fink character and publisher of subculture magazines. While drawing dead babies, iron crosses, devils on two-wheelers, grinning death's heads and bad girls in Big Daddy's studios, Williams was issued a handgun as part of the standard artist supplies. A local motorcycle gang was running a shooting feud with Roth, feeling he had exploited their image in a magazine called *Chopper*. Irate bikers, however, were not the primary threat while working with Roth.

WILLIAMS: "Roth was hitting the general public all across the United States, and he was doing some pretty rough material. When I took the job, I was given a big list of things I couldn't do. 'You cannot use the name *Mother*. You cannot use *God*. You can't have open wounds. You can't have stitches. You can't have beer cans.' So I worked around the parameters they gave me. I had the grossest stuff that had ever been done. So the FBI came in there once a week. I knew I was listed with the FBI. I was at Roth's one day working, and a guy walked in that we knew, and he says, 'Listen, I just called this place and, when I called through your number, all of a sudden I heard everything that was going on in your office.' In other words, Roth's was fuckin' bugged. And he dialed into the combination to pick up the tapping. So then I realized, *Man, they have some way of fucking tapping your phone with it on the receiver.* It was a continual thing of worrying."

From the frying pan of Roth's workshop, Robert jumped into the fire of Robert Crumb's *Zap* comics. Clandestinely produced funny books, underground comics were an ungodly blend of dope, sick sex and immoral heroes in story situations that often pitted them against fascist pig bullies, and one another. Generally sold in "head" shops, they were a psychedelicized guide to the insurgent times. Probably the most explicitly irredeemable among them was *Felch* comics, an entire volume dedicated to sucking semen from a butt-fucked woman's anus. Williams was a natural contributor to *Felch*. G-men critics didn't like his work in the underground funnies any better than his biker tat flash.

WILLIAMS: "In 1967 and '68 the California government was reconditioning the Japanese internment camps. This was a fact.





"You're lucky it's Thanksgiving, boy. It's the only time I let Bobby Sue eat dark meat."

WILLIAMS

"She weighed about 230 pounds. We'd all finger-fuck her and then go show our friends and say, 'This is what fat Ann smells like.' "

That's almost impossible to explain to people now. And who in the hell is going to these internment camps? The dissenters. And I'm one of the dissenters. I'm doing these dirty, fuckin' magazines that are blowing people's minds. News vendors were getting busted in large numbers selling this stuff; 150 news dealers busted in New York, 75 in San Francisco and 75 in Los Angeles. This was before you could see beaver shots in magazines. You take that for granted now. But I remember the first magazine I saw with beaver shots. You could see their assholes in a magazine! Pussy hair! You're looking right up their pussy in a magazine. Fuckin' incredible.

"We had already gone way beyond this in the comics. Every day, I just presumed, 'Well, the indictment's coming.' We were on acid or something with Crumb one night, and I started dwelling on this phone-tap thing, saying, 'Man, we're all fuckin' flipped here on acid, and they've got us together in one room. A lot of people know we're here, and the phone's fuckin' live.'

"The Print Mint was our primary printer. The FBI went into the Print Mint, and they made some statements like: 'You're in jail already. You're doing the time already. It's just a matter of how we're going to organize this thing.' The Print Mint just shit. The guy that owned it gave up the business. He went off to do poetry in the woods."

Eventually, the war in Vietnam ended, the youth revolution in America lost its focus, Big Brother relaxed, the death threats died off, underground comics moved aboveboard, and Robert Williams skated into the '70s, relatively unscathed and with a new career as a fine-art painter.

* * *

Though switching from black-and-white newsprint to multicolored canvas, Robert's subject matter remained sexual in the extreme. His fascination with bizarre erotic proclivities can be traced back to the artist's formative years as a dissolute street geek in Albuquerque, New Mexico, and during a teenage stint as a shill with a traveling carnival show.

WILLIAMS: "There was a fat girl that belonged to this giant fat family. She would wave people down on the highway with her panties. This girl loved to fuck anything that was remotely alive with a dick. I've never seen anything like her before or since. This is in the '50s. People just didn't do this. And this fucking woman, she was a girl I guess, but she weighed about 230 pounds, and she'd just fuck everybody. We'd all finger-fuck her and then go show our friends and say, 'This is what fat Ann smells like.'

"She took a liking to me, but that was no big deal. She liked me because my shoes were real shiny. I went over to her house one night, and I went into the living room, and this was just like a fucking surreal dream: There are about seven or eight cots and beds, all in the living room where you can't even walk through the room, and they're all aimed toward the television. And they've all got fat relatives lying on them. I remember seeing this from the blue light of the television, you know, like, *Oh, man, what a family. What a family.* You want to know the environment of some girl who just waves strangers down on the highway with her panties.

"There was a fat lady there at the carnival. She lived in a trailer that folded out, like it was made for display, kind of like looking at her living room in the trailer thing, see? This woman had the foulest mouth of any woman I ever heard, and she liked to talk real dirty in front of the boys. She was real likeable because you could sit there and talk dirty with her. God, she must have been close to 500 pounds. We were between shows or something, and someone said that she was drunk, and she was giving blowjobs to everybody. I don't think the freaks were interested in her; it was just all the roustabouts and concession kids like me, people that had built up a little friendship with her. So anyway, I went over to the trailer, and here's four or five guys in line outside the trailer. So everyone would go in one by one, and by the time I got up to the door, there's three or four people behind me. And there was a black guy in line ahead of me. And this was like '58 or something, and he was obviously going to get this blowjob by this white woman. So there's some people really upset about it. This one dude in line made some comment. So there's this whole drama in line about this black guy being in line. And I think the fact that it was a big, ugly fat lady giving the blowjob is the only reason this was permitted. So he went in there and got himself a blowjob.

"We're all standing in line to get our blowjobs from the fat lady. It was like really flipped out to me. On the other hand, I was like 15 or 16, and I thought, *Well, I'm young in life. I'll see a lot of stuff like this.* Which I never did, you know. So I was not amazed at it.

"So I got in there, and she's drunk, and she's lying on this fucking little cot bed at the end of the trailer. Apparently, every time someone would come in her mouth, she'd lean her head over the bed and spit on the floor. And there's this fucking wet mess on the floor. I got on top of her with a leg on each side, and I put my dick in her

The man she met at the mall called to ask her out. Becki said yes; he'll be around in an hour. So what's she doing flat on her back?

"I wouldn't have to do this for a guy that didn't turn me on," she confesses. "But the sound of his voice made me melt! If I don't let off steam, I'll be all over him the second he walks through that door!"

Huh? What's so bad about that?

"Obviously, you've got no sense of romance," Becki chides. "This way, I can spend a civilized evening out, real ladylike." She smiles. "And believe me, I'll be looking my best."

"When I was a homely ten-year-old," giggles one glamorous floozie, "I never thought people would be lining up to take my picture."

Everyone reacts differently to a faceful of sexuality. Sir Balthazar Sludgegut-Bassetbath, for instance, is entirely tripped out, and his travels have only begun. Sludgegut-Bassetbath's rigid breeding has failed to weather a passage on the final leg of British Airways Flight 278, with service from Los Angeles to France's Côte d'Azur, stopping in London, England. En route to the Cannes Film Festival, Sir Balthazar staggers into the Nice airport, scandalized and traumatized, as though he had been confined to a flying asylum or, worse yet, been caught lounging in an airborne brothel.

Several buzzing girls—animated swirls of saucy, hot-fuck pluck—swarm the luggage carousels and mob the bar. The British peer's upper lip quivers stiffly, as though suffering acute gin deprivation.

"Impudent bloody strumpets," seethes this repressed descendent of Britannia. His white-knuckled hands clamp upon the biceps of a seemingly impartial onlooker. "Abhorrent vixens. Make the *French* seem reputable. Cavorting in the aeroplane aisles, knickers out, going to the loo two by two. That one!" Face empurpled with denied arousal, the shaken squire points a trembling finger at a vivacious minx in fox's clothing. "The coal-haired maenad."

"That's not Maynard," interjects his commandeered auditor. "That's Madison."

"Saucy tart," summarizes Sir Balthazar. His companion of the moment is about to agree, but Sludgegut-Bassetbath is seized by another paroxysm of choked libido. "There," stammers the blue-blood lime-sucker, "those four slatterns flaunting their exhibitionistic peculiarities like badges of tawdry merit."

"That's Lois Ayres, Patricia Kennedy, P. J. Sparxx and Cameo," points out the prig's buddy. "And they're looking good."

The Queen's aristocrat hears only his own ranting. "That lot posing for photographs," he hisses, aghast at his own riveted interest, "have they no conception of scandal?"

"That lot is Lynn Lemay, Victoria Paris and Tonisha Mills," explains Sir B's chance pal, in awe of the assembled cleavage. "Scandal is their middle name."

Balthazar Sludgegut-Bassetbath tweaks his curlicue mustache and howls. "Bollocks and bangers! What kind of woman is that?"

The highborn, U.K. ofay gags and stumbles, stunned by the vision of an overinflated, garishly feminine beachball strutting and braying through the prurient pandemonium.

"That's not a woman," clarifies Sludgegut-Bassetbath's newfound guide. "That's Chi Chi LaRue, famous female impersonator and confidante to America's premiere porn ladies."

"LaRue?" ruminates the distressed Englishman. "French? I'd presumed this vulgarity was just an example of colonial debauchery, the proverbial wanking Yanks, you know."

"Shove it up your ass, you old prat," snaps Sir Balthazar's companion of the moment, who is not, as the frigid aristo mistakenly presumes, sympathetic. He is an editor for HUSTLER Magazine. "Let me set you straight, mate. What you quaintly see as an example of the American proclivity to orgy in public is actually a grand development in international pornographic accord. These ambassadresses of good sex have leapt an ocean to attend the first worldwide awards ceremony for excellence in pursuit of a cum-shot. You could be a part of it, but you'd rather not."

The Englishman runs from the lust-torn terminal, caught between warring impulses to poke out his eyes and to look back.

Gifted filmmaker and retarded interview subject Spike Lee stands toward the end of the Majestic Hotel's pier, in front of a powerful phalanx of Cannes cameras. Mr. Lee can be expected to refer to the color of his skin, presumably to deflect attention from his lack of height.

Spike needn't bother about diverting attention. In fact, the journalists surrounding the dinky figure of Hollywood controversy cannot keep their eyes from wandering beyond him. Many in the media pack up their gear and follow what they see. Little Lee resists the temptation to turn and face the fuss.

By refusing to take a look, Spike not only misses the boat, he misses *two* boats, full of bikini-bursting beauties.

A pair of cabin cruisers bob in the mellow water beyond the Majestic wharf. Each vessel flies the colors of *Hot Video*, as buccaneers of yore might run the skull and crossbones, and each cutter is well-stocked with top-quality pulchritude. As a crowd of flash-popping shutterbugs converges upon the docking bimbo barges, the babes are revealed to be of a higher caliber than the everyday bare boobs-and-butts assembled on Cannes beaches.

The lust luminaries from the airport are all on the *Hot Video* skiffs, joined by Jeanna Fine, Raven, Porsche Lynn, Sunny McKay and a few too bright to look at. The girls stay busy by keeping on the opposite side of the boat from Chi Chi La Rue and by vamping at the stern to the delight of battalions of photographers battling one another on the pier's edge.

"When I was a homely ten-year-old," giggles one glamorous floozie, "I never thought

THIGH HIGH

"More than men, more than money, more than wine!" insists leggy, shade-shy Alex from her palm-fringed perch in Cabo San Lucas, Mexico. She's talking about the thing she loves most. Sex? Not exactly.

"Boots are my passion," she gushes, planting her feet on the cobblestones. "But not just any kind. If they're not tall enough to pull over my knees, they're not my style!" Take it from a girl who spends a lot of time on her knees: Thigh-high boots are the rage.

HUSTLER HUMOR

A biker stopped at the local bar on his way home and struck up a conversation with a sexy, well-stacked blonde sitting at the bar. Everything seemed to be coming along nicely until she told him she was a hooker. The biker offered her $20 for a quickie, but the chick wouldn't budge from her usual rate of $50. Finally he gave up, finished his beer and headed out.

Later on that night the biker returned to the bar with his old lady for a couple of evening brews. They sat down at a table and had just ordered a round when the same hooker strutted over and said to the biker, "You should have listened to me, hon—see what kind of pig you get for a lousy 20 bucks?"

The HUSTLER Dictionary defines *virginity* as: a big issue over a little tissue.

A woman walked up to a Jewish garment-company owner at the country club and said, "Mr. Stein, I hate to bother you, but I represent the Save the Children Federation. We want everyone to know that just $25 will support a child in India for an entire year. Will you give that some thought?"

"I certainly will," Stein replied. Two days later, he shipped his children to Bombay.

Question: What's the difference between Dan Quayle, Bill Clinton and Jane Fonda?
Answer: Jane Fonda went to Vietnam.

The real-estate mogul was delighted by the comely new receptionist, and proceeded to turn all of his charms upon her. Within a few weeks, however, he grew extremely displeased at her increasing tendency to be tardy. "Listen, baby," he roared one morning, "we may have gone to bed together a few times, but who said you could start coming in late?"

The receptionist replied sweetly, "My lawyer."

The Mother Superior presiding over a parochial school was chatting with the senior class about their career futures. One girl told the nun quite matter-of-factly that she planned to become a prostitute.

Mother Superior fainted dead away. When they revived her, she raised her head from the ground and gasped, "What did you say?"

The young girl shrugged. "I want to be a prostitute."

"A prostitute!" Mother Superior exclaimed. "Oh, praise sweet Jesus! For a moment there, I thought you'd said you wanted to be a Protestant!"

The HUSTLER Dictionary defines *lesbian* as: a pansy without a stem.

From the moment Chuck set eyes on the good-looking woman in the next office, he had only one thing on his mind, but it took months of careful wooing before he finally got her to go to bed with him. When it was over, the two lay in silence for a few minutes. Finally, Chuck asked, "How was it for you?"

"Fine, I guess," she answered candidly, "but I can't say I thought much of your organ."

"Is that so?" retorted Chuck. "Well, I didn't expect to play in an auditorium."

Loretta, a beautiful blonde, showed up at a Palm Beach party in all her splendor, wrapped in a full-length mink coat. An animal lover approached her and asked, "Do you know how many animals had to die so that you could wear that mink coat?"

"Listen," snapped Loretta, "do you know how many animals I had to fuck to *get* this mink coat?"

A young soldier received orders to report to his port of embarkation; so he dashed to the phone and called his girlfriend. "I've only got an hour before we ship out," he told her. "I'm coming right over; have your skirt and panties off and your legs spread wide open for me."

His girlfriend replied, "Well, okay, but don't you want me to take off my blouse and bra too?"

"Didn't you hear what I just said?" asked the soldier. "I told you I only have one fucking hour. I got no time to be chewing the fat."

Losing Battles in the War on Drugs

Report by James W. Harris

The only victories in the White House's dope wars have been against the Constitution and you.

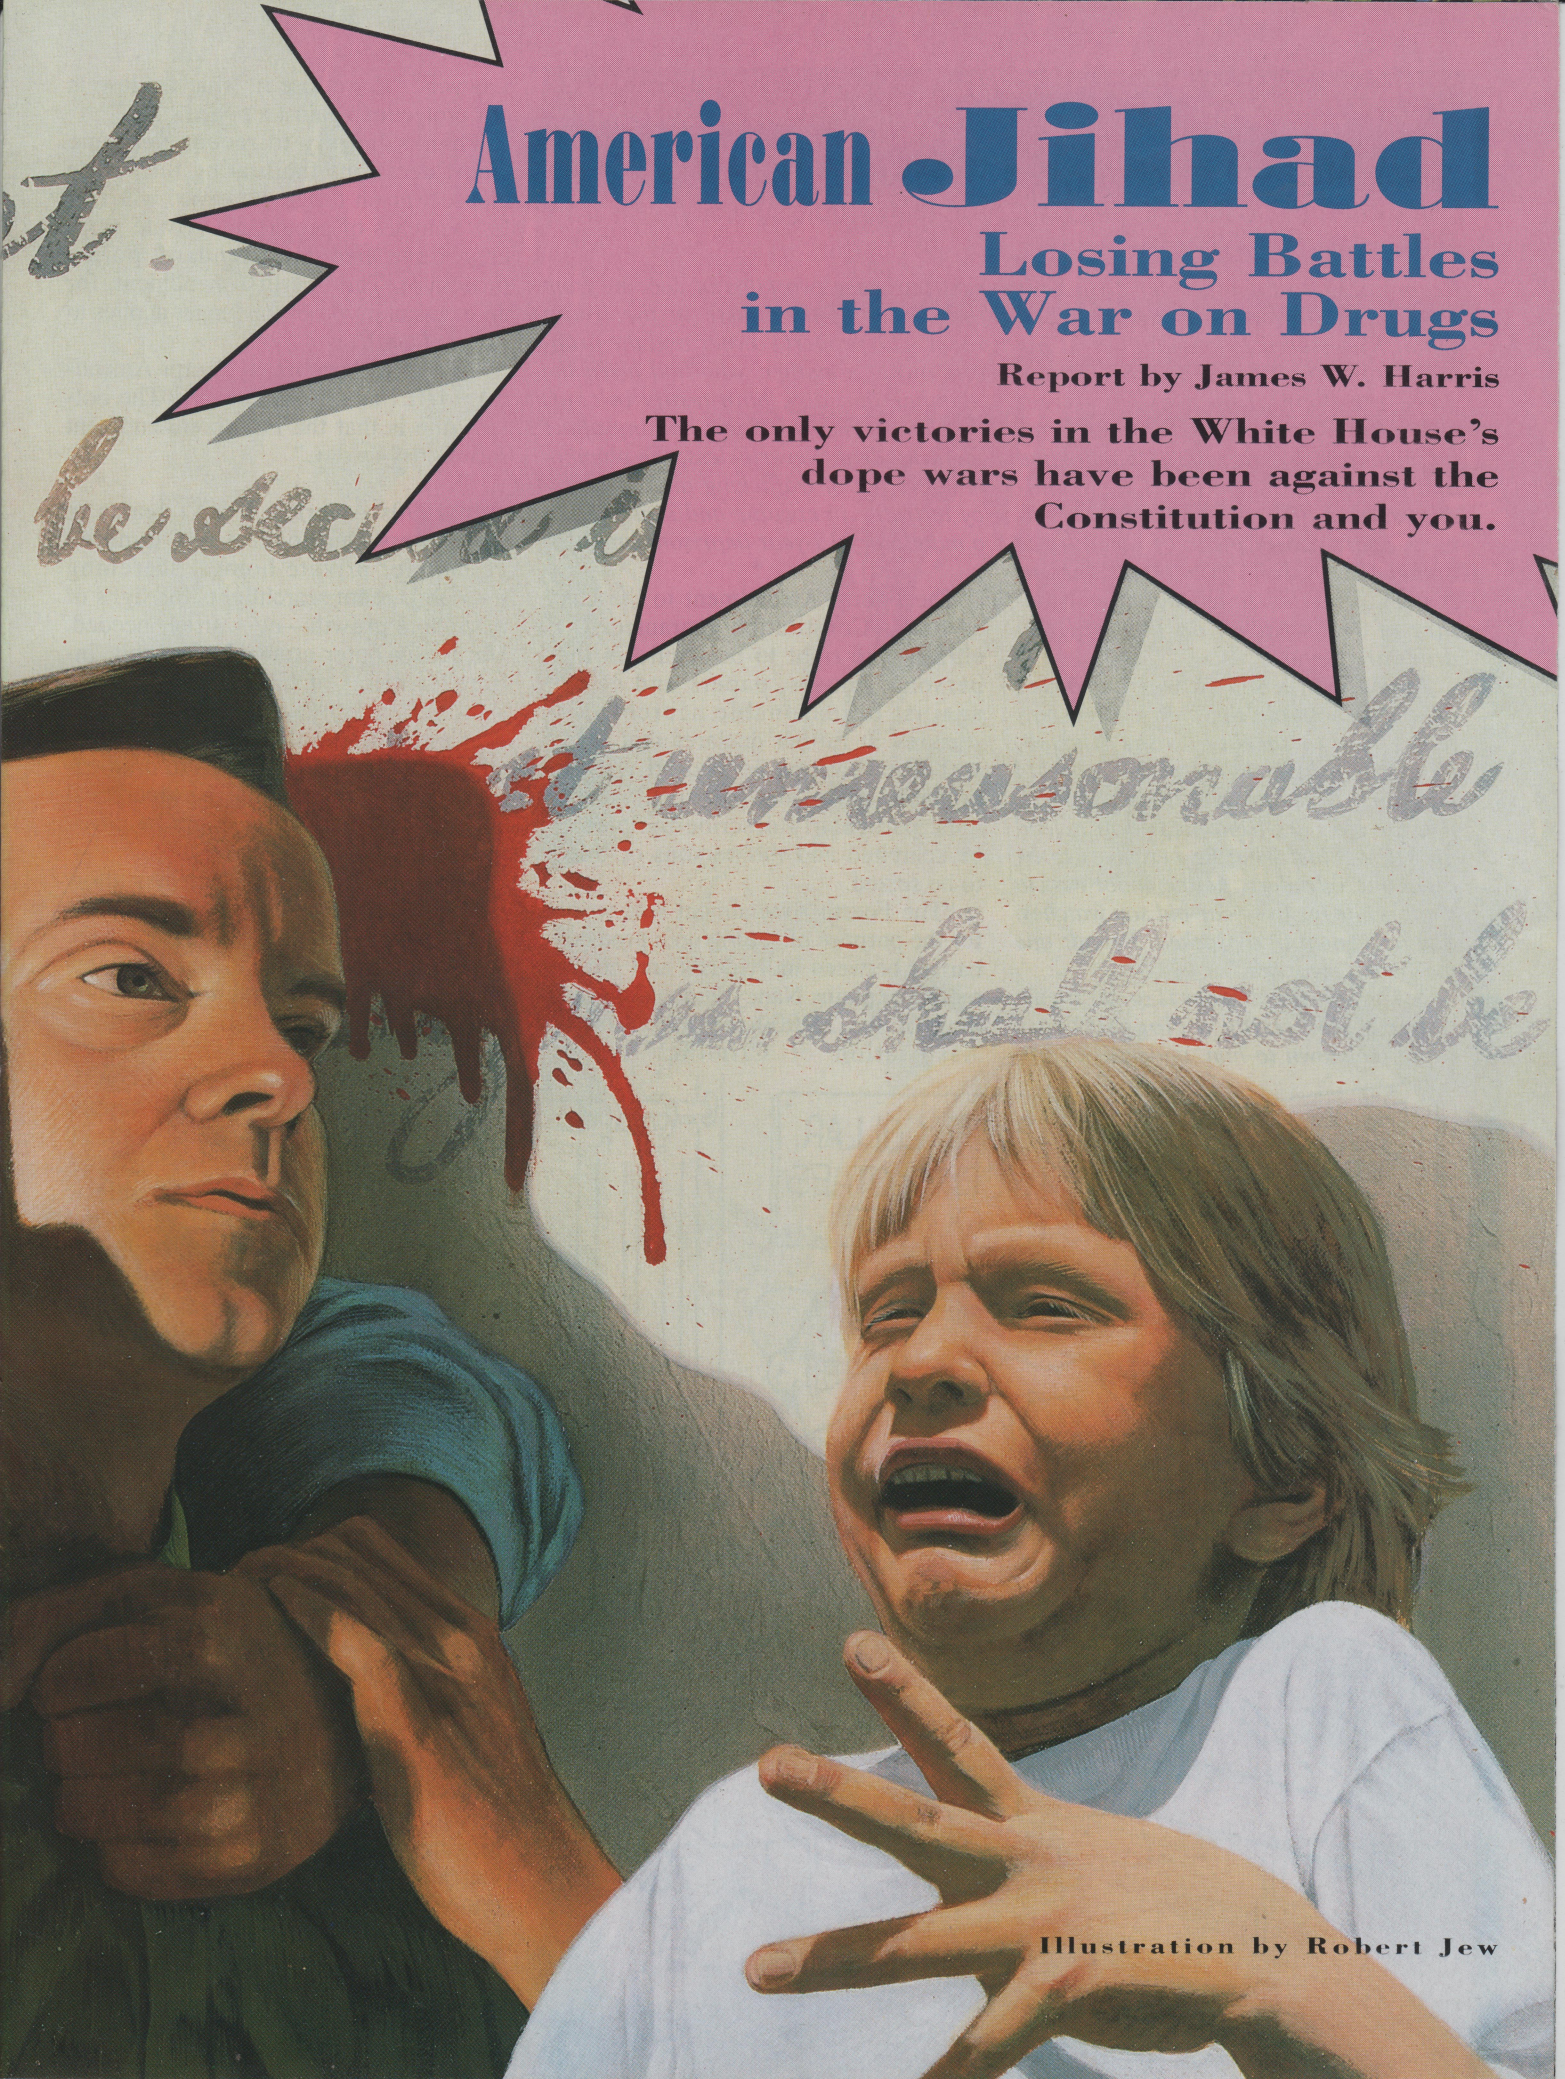

Illustration by Robert Jew

DRUG WARS

Every American citizen is liable to body and luggage searches prompted by no more legal justification than simple curiosity.

Responding to an informer's tip that Newark, California, factory worker Bok Kwan Kim stored amphetamines at his residence, narcotics officers break down the door of the tiny, off-street apartment. Kim is handcuffed and beaten unconscious. His wife is handcuffed and shoved to the floor. As their children scream, the officers tear the apartment apart. Every piece of furniture is broken. Every dish is shattered. The only item in the house left intact is a picture of Jesus Christ on the wall. No drugs are found.

Armed with a search warrant based on a 20-month-old tip, police use a battering ram to smash into the Hudson, New Hampshire, home of 34-year-old machinist Bruce Lavoie. When the terrified Lavoie rises from his bed to defend himself against what he perceives to be nighttime intruders, police shoot him to death while his five-year-old son watches. The apartment is ransacked. Found: one marijuana cigarette.

A 47-year-old plumber is under a customer's sink fixing a clogged drain while, unknown to him, undercover officers purchase two kilos of cocaine from the owner of the house in the living room. The property owner and the property owner's mother, who had hired the plumber that day, both testify in court that the drainsman knew nothing about the drug deal. Nevertheless, the plumber is convicted of trafficking and conspiracy to traffic in cocaine and sentenced to a mandatory 15-year imprisonment.

The Fourth Amendment to the United States Constitution guarantees U.S. citizens the right to be secure in their persons, houses, papers and effects against unreasonable searches and seizures. It further declares that search warrants cannot be issued without probable cause, and that such warrants must particularly describe the place to be searched and the persons or things to be seized.

"The Fourth Amendment was written for the purpose of setting up a protective barrier between individuals and government," explains Nancy Hollander, president of the 25,000-member National Association of Criminal Defense Lawyers. "If we lose it, what we lose is our protection against a police state."

Thanks largely to recent Supreme Court decisions facilitating the White House war on drugs, however, warrantless searches of people and private property have become standard police procedure. The Fourth Amendment, for all practical purposes, no longer applies to much of our lives.

"We don't have much Fourth Amendment left," admits Hollander. "The bottom line is that the Fourth Amendment shrinks day by day."

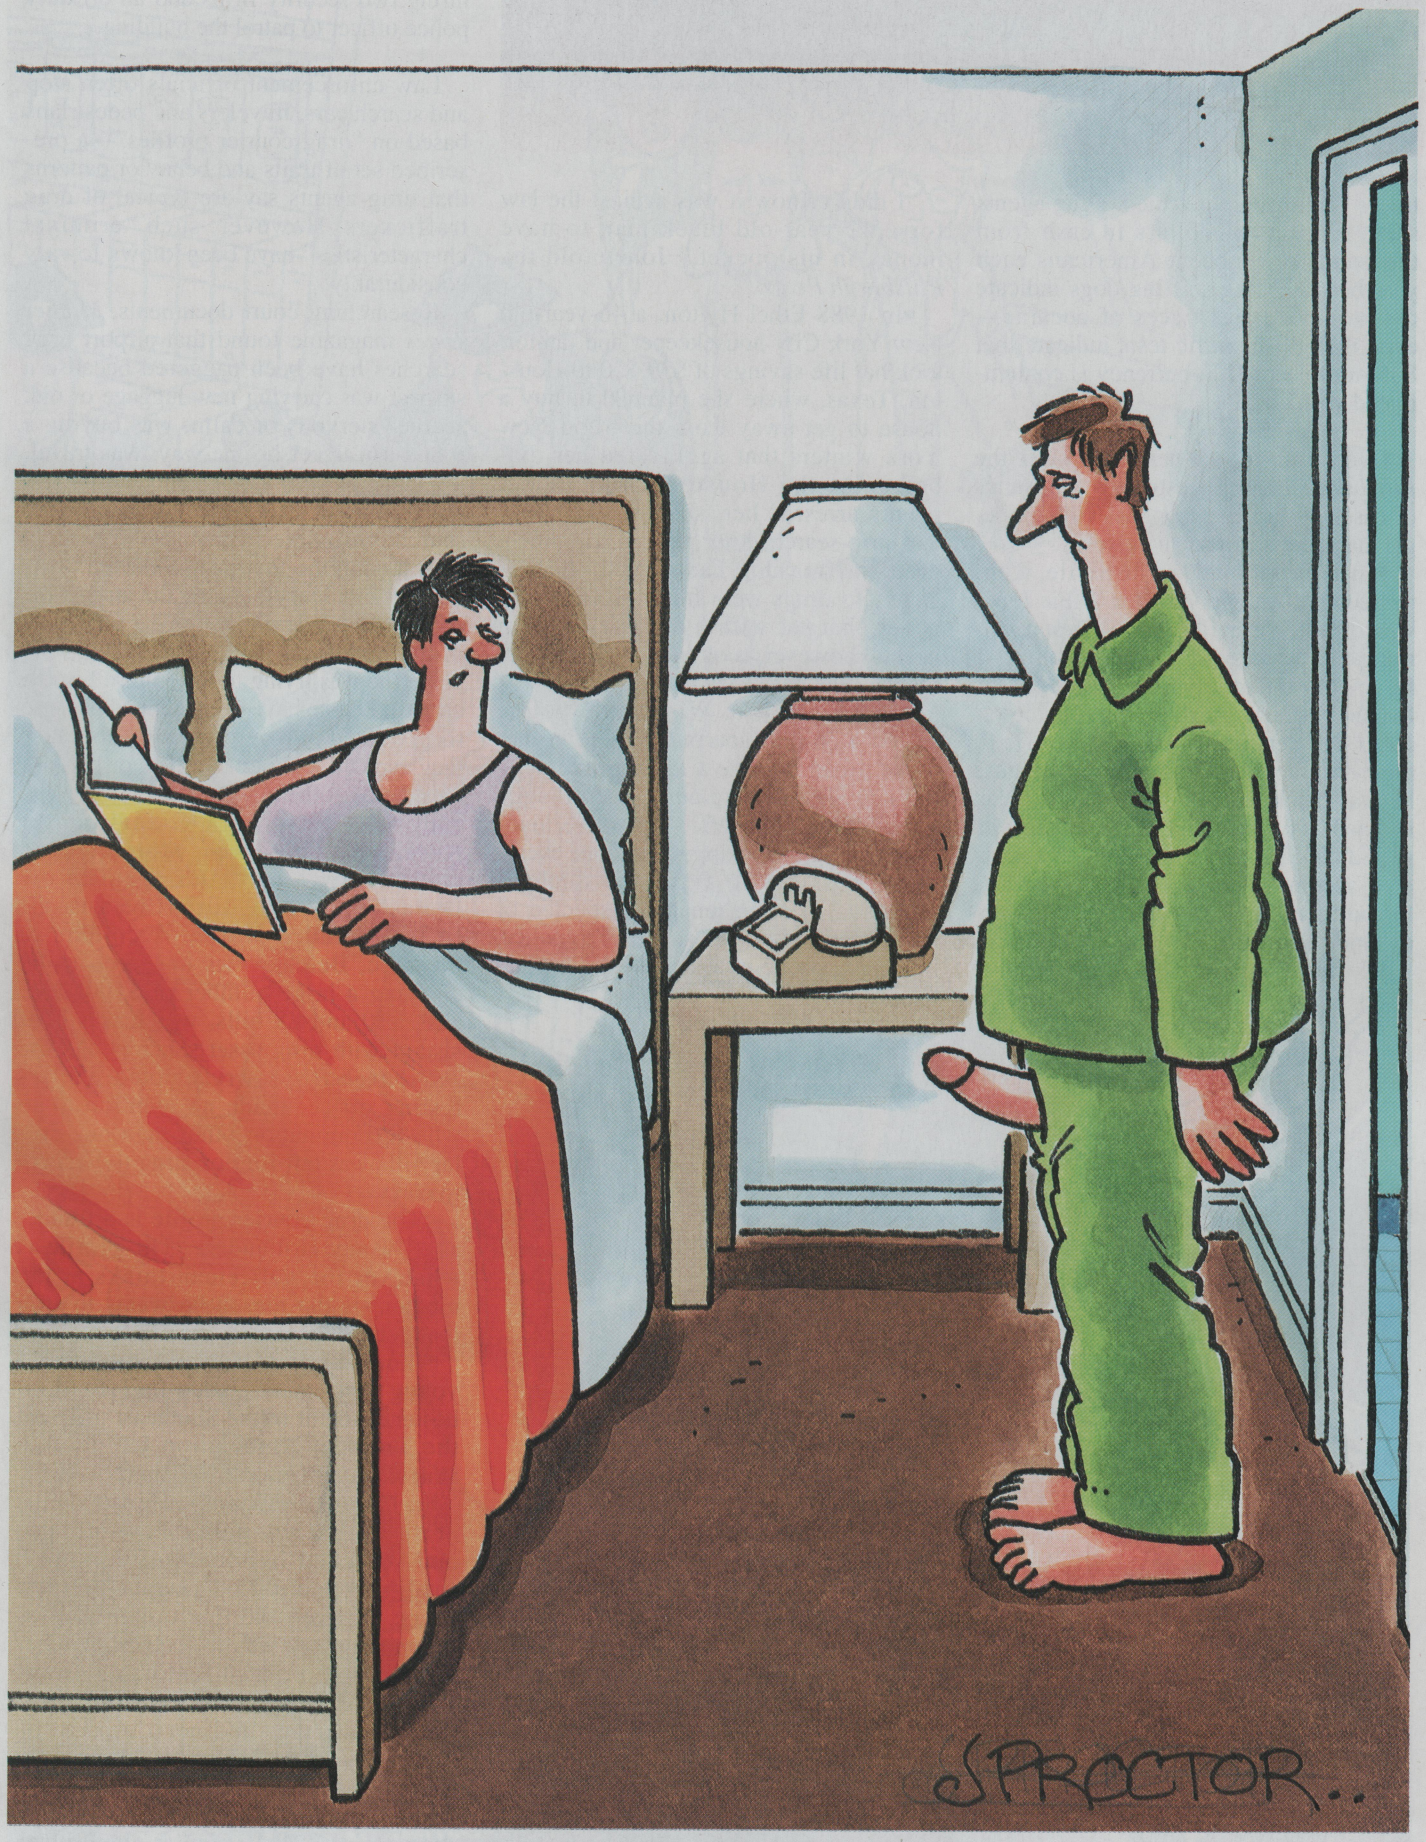
* * *

In 1990s America, SWAT teams in helicopters can hover a few hundred yards over private homes, searching with high-beam searchlights for signs of marijuana growth—no warrant needed. Unseen in outer atmospheric orbit, infrared cameras of military surveillance satellites seek out and identify homes that emit unusual amounts of heat, whose localities are reported to drug-enforcement authorities on the theoretical grounds that the owners might be growing pot indoors.

"Open fields" search doctrines allow police and government agents to ignore NO TRESPASSING signs, barbed wire fences and brick walls and enter private fields and woods to search for whatever they choose. No warrant is required. Property owners' demands that such trespassers vacate their premises can be legally ignored. Phones can be tapped and bank records inspected as well, all without probable cause.

Every American citizen is liable to official inspection at U.S. airports, bus terminals and train stations, including body and luggage searches prompted by no more legal justification than simple curiosity. Florida police routinely storm interstate buses and Amtrak trains at layovers in Fort Lauderdale and Palm Beach. Displaying guns and raid jackets, cops block exits, question passengers and "request" to search bags. In a move to end these maneuvers, the Florida Supreme Court cited examples of identical tactics in Nazi Germany, Soviet Russia and Communist Cuba, arguing that consent given for searches under threatening circumstances is clearly coerced and therefore illegal. In spite of this, the United States Supreme Court stuck to its agenda and in June 1991 reversed the Florida court's decision.

Recent civil-forfeiture laws allow officers to seize cars, money and other belongings upon mere suspicion—without warrant, without evidence—that a detainee might be involved in drug trafficking. Cars, houses, boats and cash are regularly seized when even microscopic



"Better put that away before you hurt yourself."

DRUG WARS

"I didn't know it was against the law for a 42-year-old black man to have money in his pocket."

traces of drugs are detected. Drug agents seize millions of dollars in cash from thousands of innocent Americans each year because drug-sniffing dogs indicate the money carries traces of cocaine—even though scientific tests indicate that 80% to 96% of U.S. currency is contaminated with cocaine.

* * *

Over a ten-month period in 1991 the *Pittsburgh Press* investigated thousands of cases of civil seizures, describing a legal massacre of innocent citizens.

•In February 1991 Nashville, Tennessee, gardening contractor Willie Jones went to the Nashville Metro Airport carrying $9,600 in cash. He had planned to fly to Houston to buy flowers and shrubs for his business. At the Nashville airport Jones was detained by drug agents. He fit their drug courier profile simply because he was black and had paid for his ticket in cash. The police searched him and seized his cash. Even though they discovered absolutely no evidence linking him to controlled substances, he lost his money and, consequently, almost lost his whole business.

"I didn't know it was against the law for a 42-year-old black man to have money in his pocket," Jones told the *Pittsburgh Press*.

•In 1988 Ethel Hylton, a 46-year-old New York City housekeeper and janitor, took her life savings of $39,120 to Houston, Texas, where she planned to buy a house to get away from the frigid New York winters that aggravated her diabetes. At the Houston airport DEA agents arrested her, searched her bags and strip-searched her person, claiming a drug-sniffing dog had pawed her luggage. No drugs were found. Hylton was never charged with a crime. The drug agents, however, took all but $10 of her money. She hasn't yet recovered it.

•In Milwaukee, Wisconsin, police seized a 36-unit apartment building because it had become a known drug-dealing site. The seizure came even though the building's owners—who were innocent of drug trafficking—had done everything possible to fight the dealers, including evicting tenants suspected of using drugs, giving master keys to police, informing police of suspected dealers and hiring two security firms and an off-duty police officer to patrol the building.

* * *

Law-enforcement officials often stop and search cars, travelers and pedestrians based on "drug courier profiles"—a prescribed set of traits and behavior patterns that drug agents say are typical of drug traffickers. However, such "criminal characteristics" have been known to vary considerably.

Researching court documents, *Mother Jones* magazine found that airport drug searches have been triggered because a suspect was carrying new luggage or old; seemed nervous or calm; was buying a round-trip ticket or one-way; was traveling alone or with a companion. A similar study by the *Pittsburgh Press* found searches triggered because the suspect was: among the first people off the plane (he was in a hurry); among the last off the plane (she was trying to appear unafraid); in the middle of passengers leaving the plane (he was trying to lose himself in the crowd). People have been stopped because they walked slowly or quickly, because they avoided looking at police, or because they stared at them.

Former New York Giants center Kevin Belcher was stopped and searched by a narcotics agent at the Dallas/Fort Worth Airport because he fit the so-called profile. According to the narc, Belcher was observed to be carrying a large number of $100, $50, $20, $10 and $5 bills, which was consistent with drug-asset seizures. As the *Pittsburgh Press* wryly noted, the arresting officer made no mention as to what denomination other than one-dollar bills was left for non-drug traffickers to carry.

"The drug courier profile is a fraud," says Nancy Hollander. "The profile is whatever the policeman thinks at the moment is the reason he wants to stop that person."

"You fit the profile just by being a young black man," adds Earl T. Shinhoster, director of the Southeast office of the National Association for the Advancement of Colored People (NAACP).

In Cherokee County, Georgia, just north of Atlanta, police have stopped and searched hundreds of cars on a small stretch of I-75 during the past few years. Officers told the *Atlanta Constitution* that decisions to request searches were based on such factors as young male drivers, rental cars, borrowed cars, out-of-state tags and nervous drivers. "They say we pull over and arrest more blacks," says Deputy Jeff Shields, a member of Cherokee County's anti-drug squad. "Well, studies show black people traffic more drugs."

DRUG WARS

Custom agents ordered her to defecate into a wastebasket, while they watched, so they could search her excrement for signs of drugs.

Few motorists realize that such searches can be far more than just quick sight or hand inspections. Officers allowably rip out seats, door panels and roof linings. They can open suitcases and closed containers. They may even remove gas tanks.

"Martial law has been declared in our inner cities," warns Loren Siegal of the American Civil Liberties Union in an article about the war on drugs. "Police raids, curfews and warrantless searches [have become] the order of the day."

Warrantless searches condoned by drug-war policies threaten to turn housing projects into virtual prisons. In 1989 the Chicago Housing Authority instituted Operation Clean Sweep. Under the guise of housing inspections, Operation Clean Sweep police and security officers entered housing-project buildings, locked all exits and carried out unannounced, warrantless, systematic searches of tenants and their guests. According to Kevin Zeese of the National Drug Policy Foundation, Operation Clean Sweep officers rifled through dresser drawers, closets, bedding, personal items, kitchen cabinets, refrigerators, medicine cabinets and even Christmas presents. Following all such searches, the targeted buildings were fenced with security grates. In order to enter or exit their homes, residents were required to present identification cards to official security personnel.

Jack Kemp, U.S. Secretary of Housing and Urban Development, praised the Chicago Housing Authority for working with the police "to search [without warrants] every unit from top to bottom" and called for federal funds to enact similar programs in other cities. Nevertheless, as Zeese points out, "Nothing in the Constitution states its full protections do not apply to the poor, who are forced by circumstance to live in public housing."

Similar police-state tactics have cropped up in public housing in Washington, D.C., New York City, New Orleans and Charleston, South Carolina.

In 1990 Mike Wallace of the television news show *60 Minutes* discovered that California's Oakland County Housing Authority police randomly assaulted public-housing residents, stole money, planted narcotics, made arrests and lied in court to meet drug-arrest quotas. Jeff Garden, a former Oakland Housing Authority police officer, bluntly told Wallace: "We'd brutalize people. We stole their money. We planted drugs on them to take them off the street." Garden described this as standard operating procedure.

Drug sweeps in black neighborhoods in Boston, Massachusetts, have been so abusive (including, according to the ACLU, indiscriminate lineups of young men spread-eagled and forced to drop their pants and submit to searches of their underwear) and so blatantly unconstitutional that in September 1989 State Superior Judge Cortland Mathers declared flatly: "A tacit understanding exists in the Boston Police Department that constitutionally impermissible searches will not only be countenanced but applauded."

* * *

In an additional blow to the Fourth Amendment, the U.S. Supreme Court has upheld the legality of mandatory drug-test screenings for government and private-sector employees. As a result, today one out of three private-sector job applicants is required to pass a urine test.

The inherent inaccuracy of urine testing means that a certain number of employees will falsely test positive for drugs—and lose their jobs.

On May 31, 1989, Georgia probationer Eddie J. Greene was arrested on suspicion of selling cocaine and ordered to take a urine test. When he tested positive, he was charged with possession, convicted and sentenced to five years in prison—even though the only cocaine he "possessed" was in his urine. The Georgia Supreme Court upheld his conviction.

On March 5, 1983, Rosa Montoya de Hernandez of Bogota, Colombia, was stopped at the Los Angeles International Airport because she fit the airport's drug-courier profile. On this suspicion alone—with no warrant or probable cause—de Hernandez was taken to a private room and strip-searched. She wore two pairs of underpants and her abdomen appeared full. Customs agents guessed she might be an alimentary canal smuggler—someone who swallows balloons filled with cocaine or heroin, then excretes them when safely in the U.S. When de Hernandez refused to be handcuffed and X-rayed, Customs agents ordered her to defecate into a wastebasket, while they watched, so they could search her excrement for signs of drugs.

DRUG WARS (continued from page 88)

Two elderly citizens were killed when fire from a flash grenade ignited their Minneapolis home. No drugs were found.

Ms. de Hernandez refused and was imprisoned in a barren room for nearly 24 hours, with no phone and no contact with attorneys or the outside world. She still produced no bowel movement. Finally, frustrated police obtained a court order for a body search. A cocaine balloon was recovered from her rectum. Over the next four days she excreted 88 additional balloons.

Though de Hernandez was clearly guilty, the U.S. Court of Appeals threw out the conviction because it felt the Customs agents had no constitutionally valid cause to suspect de Hernandez was a smuggler. The Supreme Court, on July 1, 1985, upheld the conviction.

Says Arnold Trebach of the Drug Policy Foundation, "The Supreme Court has now established the principle that, when the suspicions of border police are aroused, even if they lack any clear evidence of crime, they may detain any traveler until that person dispels their suspicions by defecating in their presence and into a container of their choice so that the vigilant police may inspect the traveler's human waste for contraband."

Such a ruling puts virtually every traveler entering or leaving U.S. borders in jeopardy of degrading treatment.

* * *

The Supreme Court has made so many recent exceptions to the Fourth Amendment's search warrant requirement in the name of fighting drugs that Supreme Court Justice Antonin Scalia actually proposed in 1991 to abolish the general warrant requirement altogether. Furthermore, many current Supreme Court justices favor totally doing away with the long-established "exclusionary rule," a protectionary measure that prevents the government from using in court evidence obtained in violation of the Fourth Amendment.

The Bush Administration recommends evidence seized illegally, without a warrant, be admissible in federal court. According to Kevin Zeese, many drug warrants today are delivered by SWAT teams. Homes have been literally ripped to shreds by drug squads searching for contraband—plumbing pulled out, furniture shattered, personal items trashed. The Supreme Court has upheld the use of flash grenades and battering rams to enter homes with warrants. In January 1987 two elderly black citizens, Lloyd Smalley and Lillian Weiss, were killed when fire from a flash grenade ignited their Minneapolis home. No drugs were found. The police chief apologized, but added: "This is a war."

In 1987 the Supreme Court ruled that victimized citizens cannot bring lawsuits against federal agents who engage in unconstitutional searches and seizures—even if the agents *know* their actions are unconstitutional. The Court said the only test is whether a "reasonable officer" might think the search legal. In the case that resulted in this ruling, FBI agents searching for a bank robber had smashed into the Minnesota home of the robber's brother—without a warrant. They allegedly pointed guns at the terrified family, hit the father and even hit the ten-year-old daughter as she screamed for help.

Incredibly, the Court ruled the family could not sue for damages.

Writing in dissent, Justice John Paul Stevens argued that this decision created "a new rule of law that protects federal agents who make forcible nighttime entries into the homes of innocent citizens without probable cause, without a warrant, and without any valid emergency justification for their warrantless searches."

Such decisions, wrote former Supreme Court Chief Justice William Brennan, "threaten to obliterate the distinction between our form of government, where officers are under the law, and the police state, where they are the law."

Georgia Supreme Court Justice George T. Smith puts it bluntly. "For all practical purposes," he says, "there is no Fourth Amendment."

* * *

In 1987 President Reagan endorsed censorship of films and music, claiming no one has a constitutional right to sell pro-drug propaganda to minors. Early drafts of the Bush Administration's 1990 Omnibus Crime Bill would have declared mere verbal opposition to the war on drugs an act of treason against the United States, punishable by up to ten years in prison.

Ex-"drug czar" William Bennett has implied that it might be necessary to suspend the Constitution in order to fight the war on drugs. At the rate American Constitutional liberties are being destroyed at the hands of its own Supreme Court, suspending the Constitution may in fact be redundant.

"Honestly, Melanie, who ever heard of tuna on Thanksgiving?"

Rene kindly shows us the best view of her house in Fort Lupton, Colorado. This 31-year-old homemaker enjoys gardening, cooking and swimming. She says the perfect sexual experience would take place near a waterfall, and would involve whipped cream and a sheet of plastic. Is the waterfall natural or man-made?

We'd gladly rub whatever was necessary to produce Genie, a 24-year-old model from Thousand Oaks, California. Her fantasy is to have sex outdoors in a tent, and she enjoys making love on the courts—playing tennis, that is.

Mother Nature deserves a pat on the butt for creating lovely Goldie, a 29-year-old housewife in Ocala, Florida. She loves the outdoors, citing hunting, fishing and gardening as her main hobbies. Displaying the core of her fantasy, Goldie longs to ride nude on a Harley before she's fucked doggy-style with her clit pressed against the throbbing machine.

Who's red, white and leaves her admirers blue in the shorts? It's racy Janine, a 20-year-old model from Thousand Oaks, California. She enjoys camping and thinks making love in an elevator would be a most unusual sex trip.

Photo by Friend

Those lips and those eyes belong to lovely Angie, whose hobbies include nude appreciation and "extremely fast vehicles." A rose by any other name wouldn't smell as sweet as this 27-year-old cocktail waitress in Sacramento, California, who would like to be a regular member of the "mile high club." Raise those flaps; we'll climb aboard!

Photo by Boyfriend

A file clerk in Altadena, California, exotic Tiffany opens the sweetest folder of all. This 20-year-old spends her free time swimming, dancing and going to the movies, and dreams of making love to three guys in a pool of champagne. Give us a straw, and we'll show you a new way to sip it!

Photo by Boyfriend

She's slimy and has a long, probing tongue. Is it sultry Kristen or her pet snake? Maybe both, but we'd rather curl this 25-year-old dancer's legs around our necks. She also takes care of two Persians (cats, we assume) in Ellenwood, Georgia, and dreams of being tied up and fucked every possible way by at least three men.

With her eyes closed, Felicia dreams of having sex in a field of daisies in the rain. This 24-year-old peach dances for a living in Marietta, Georgia, and likes making love, watching movies and bowling. That's one spare we'd gladly pick up.

Photo by Friend

As a hairstylist in Las Vegas, Kelly Jo has been turning hair into hats for many of her 30 years. She likes riding and water sports, and would enjoy raining on her man's parade with a stream of golden showers. We'd sing in her rain anytime.

Photo by Friend

Photo by Friend

We'd like to pour Coco a glass of milk and eat her like a puff pastry. Art and singing are two of this 26-year-old's hobbies. Although she lists no fantasies, the fact that she models in Chicago, Illinois, gives us a good place to start.

WILLIAMS (continued from page 56)

"Every time someone would come in her mouth, she'd lean her head over the bed and spit on the floor. And there's this fucking wet mess on the floor."

mouth. And she was sucking away on my dick. And I looked out of the corner of my eye, and I saw through the screen door all those guys were looking at me through the screen door. So I started showing off to them. I started waving my arms like a rooster, going *cock-a-doodle-doo!* Shit like that. And I lost my balance. So I put one foot down to catch my balance off the cot, and slipped in this spunk and fell off the bed and fell in this puddle of spunk, see? And I mean I was flipped. I was really upset. And this lady, she just started laughing and making fun of me, because I'd been showing off and making an ass out of her. And I told her, 'What are you laughing at? Your mouth's a public shithouse.'

"End of story. Kind of a sexist story, isn't it?"

* * *

Much of sexism is in the eye of the beholder, and more and more eyes have been seeing women unfairly objectified and taken advantage of in the paintings of Robert Williams. During the 1991 run of Helter Skelter, an exhibit of several artists at the Museum of Contemporary Art in Los Angeles, Williams's inclusion was protested by Queer Nation and PIGs (Politically Involved Girlfriends). The PIGs handed out fliers branding Williams as "homophobic, racist and sexist." Williams says the charges are bunk.

WILLIAMS: "These are supposed to be my liberal sisters. I've always been very sympathetic to women's lib, because my mother was continually beaten by my dad. When me and my mom finally went our own way, my dad wouldn't give no child support. So my poor mom had to support me as a little child and work tremendous hours for almost no pay. If a man did the same work, he'd get a lot of money. This was in the '50s. Women were treated shabbily. So observing this with my mom, I always had sympathy for women.

"Also about this period, I was left in the care of a lesbian couple; so I got a firsthand view of woman-to-woman society. I developed a certain compassion with these lesbians. I did think it was a little curious and a little strange and had my jokes....They weren't open about it, but one was a little femme, and the other was a big, strong lieutenant. And one talked like Charles Laughton, and the other talked like Squeaky the Mouse. It didn't take Albert Einstein to figure out there was a dominant and subordinate in this situation.

"But they took good care of me, and I developed sympathy for them.

"I mean, hell, I'm practically half lesbian myself. I'm on their fucking side. I can't convince them of that. They see me as this Anglo-Saxon cracker redneck man who draws naked ladies.

"The reason my paintings are disturbing is that there's an anxiety factor that's ignited with women, and people in general, in having their sexual imagery presented to them. There's something about sexual imagery that's directly keyed up to your reproductive libido that just ignites you, and you take some reaction. In some people it's worse than in others.

"When I was doing *Zap*, I was getting right-wing, Fundamentalist shit from men down South. In the early '70s, that dropped off radically. Then, after my book *Zombie Mystery Paintings* (Blackthorne Publishing Inc.) had come out, I got a death threat from some girls in Minnesota written on blue-line notebook paper on about ten sheets and about three words a sheet, written in red crayon, with this message saying how a stop is going to be put to me one way or the other.

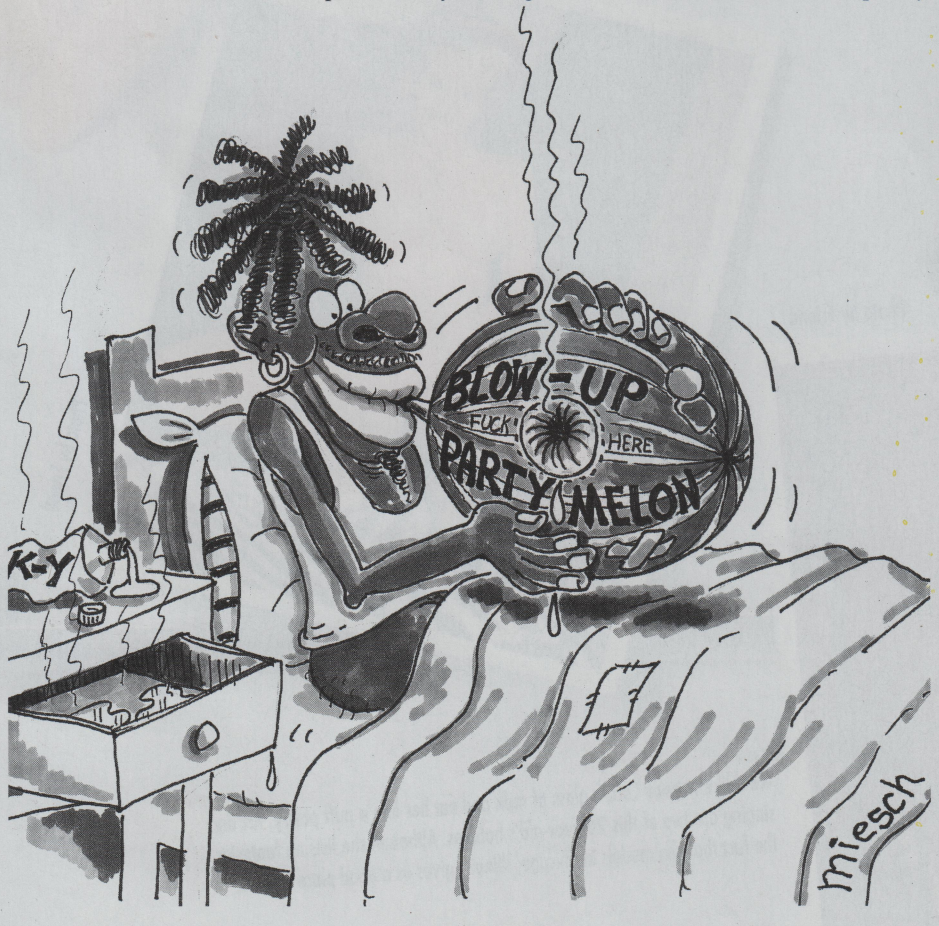
"The little liberals had no idea that years prior I was doing underground comics involved in the San Francisco movement that was so fucking liberal they'd shit in their pants, that laid the foundation for what they were doing. They saw me as a Southern-talking, white honkie using women. The only Anglo males they can find to hate are the ones that walk into their traps. They don't go around and find the real fucking adversaries. They're starving for a handle, and no one's stuck a handle out. Like [California governor] Pete Wilson and the fuckin' right wing of California ain't gonna hand them a handle. That's their fuckin' adversary. But I've got my little Oscar Wilde painting. It's got some sarcasm in it, and they just latched right onto that.

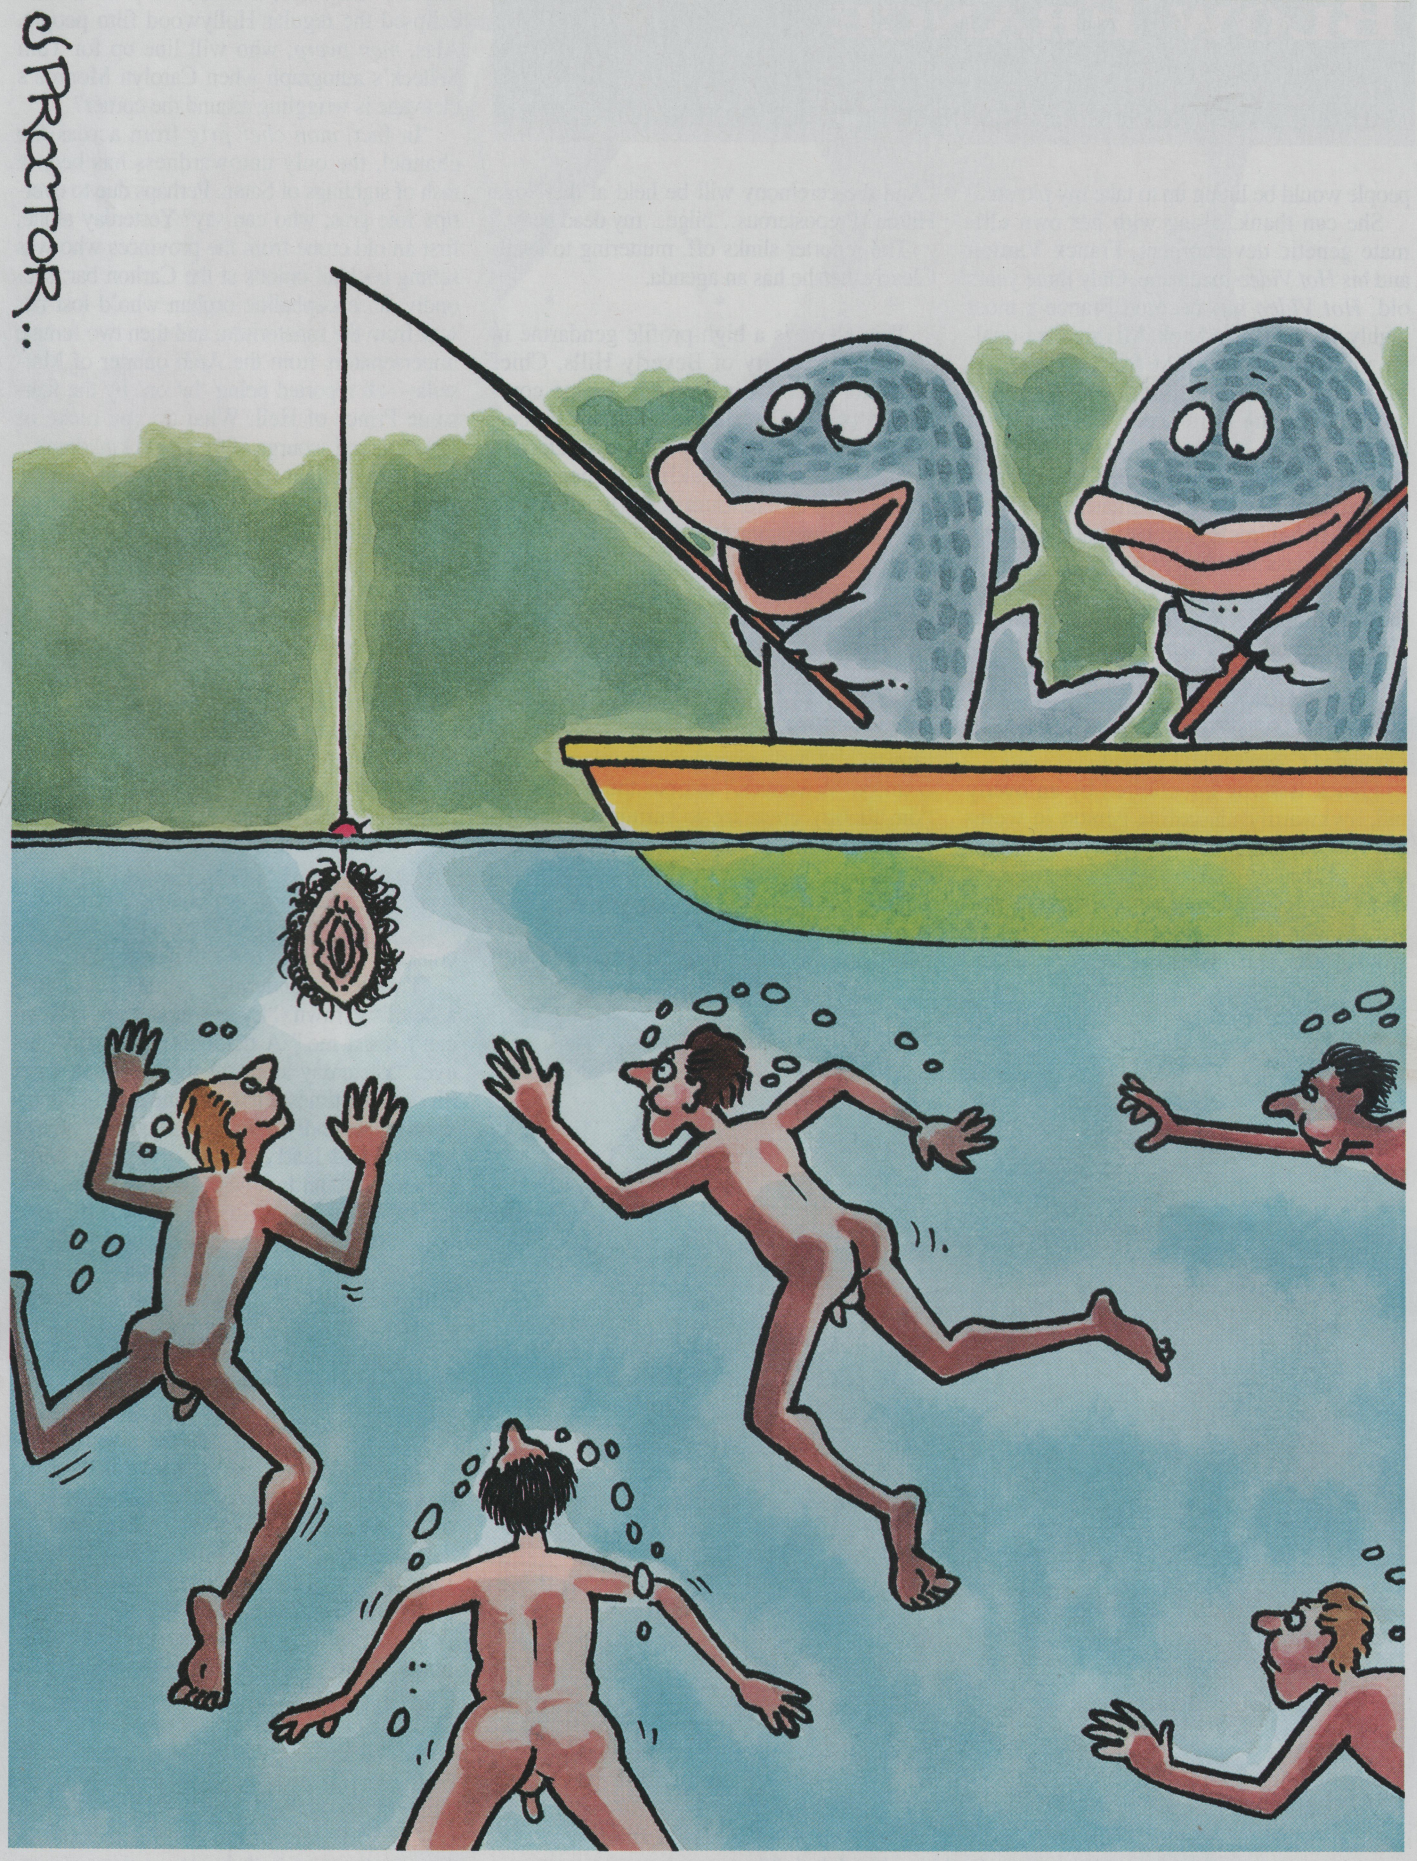
"They don't have a good logic of what the hell they're doing. They just do these emotional fucking things to get attention. So they'll blow it.

"The government's exactly where it's been. It's strong and ready to getcha. You got this feminist fucking thing coming on the other side. They're right in bed with their fucking enemies and don't know it."

* * *

Aside from *Zombie Mystery Paintings*, Robert Williams's books include *The Lowbrow Art of Robt. Williams* (Rip Off Press Inc.) and *Visual Addiction* (Last Gasp). A series of new paintings can currently be seen at the Bess Cutler Gallery in New York City, feminist capital of the free world. Williams is not above getting in bed with his enemies either—but he knows who they are.





"Pussy gets 'em every time!"

BLOW FRANCE (continued from page 68)

"These smut peddlers. One might suspect the girls they've imported were prostitutes and had smuggled narcotics into the country."

people would be lining up to take my picture."

She can thank, along with her own ultimate genetic development, Franck Vardon and his *Hot Video* magazine. Only three years old, *Hot Video* has become France's most highly visible stroke book. Mixing gem-quality nude layouts bought from HUSTLER Magazine with extensive photo-illustrated coverage of the porn scene in the United States, Europe and beyond, *Hot Video* has captured a market share of the Gaulish hard-on that accounts for approximately one testicle and two-thirds of the national dick. Vardon's success has been so phenomenal, in fact, that he is in a position to import 18 of the top female XXX performers from the U.S. to attend the *Première Cérémonie de Remise des Hot D'Or* (first annual Hot D'Or awards ceremony), to be presented at a gala banquet held concurrently with the world-renowned Cannes Film Festival.

Franck is being interviewed by an overly tall, awkwardly masculine person in women's clothing. In a suspiciously high-brow British accent, it claims to be from the *London Guardian*. "It took six months to poll your readers for the awards?" the would-be woman asks, waxing her handlebar mustache. "And the ceremony will be held at the Noga Hilton? Preposterous…bilge…my dead body."

The reporter slinks off, muttering to itself. Clearly, he/she has an agenda.

* * *

Though he is a high-profile gendarme in Cannes, sister city of Beverly Hills, Chief Inspector Ureme Le Bogue, supreme commando of the Cannes SWAT Team Forces, is unaccustomed to the public eye. Despite his fear of public speaking, Inspector Le Bogue steps to a rostrum at the local bastille and fields questions from the press.

One reporter, a tall, middle-aged, mustache-tweaking male who could be the prim twin brother of the woman from the *Guardian*, blurts his query. "I say, chap," assays the newsie, "these smut peddlers. One might suspect some of the girls they've imported were engaged in activities of prostitution and had smuggled narcotics into the country. Moveover," intones the Englander, "the shabby crew are lowering the tone of the Festival proceedings. Cannot something be done to disperse such vermin?"

"*Pardonez-moi*," begs monsieur cop, "you are profoundly ignorant of the nature of the pornographic enterprise. The X-rated performers' only fault is that their presence has eclipsed the regular Hollywood film people. Alas, *mon twerp*, who will line up for Tom Selleck's autograph when Carolyn Monroe's cleavage is wriggling around the corner?

"In fact, *mon cher prig* from across the channel, the only untowardness has been a rash of sightings of Satan. Perhaps due to overripe foie gras; who can say? Yesterday alone, first an old crone from the provinces who was selling cocktail onions at the Carlton bar; secondly, an encephalitic orphan who'd lost her way from the sanatorium; and then two female impersonators from the Arab quarter of Marseille—all reported being 'hit on' by the fearsome Prince of Hell. What do you make of that, honored scourge of the island kingdom?"

But the uptight reporter has slunk from the press conference. The mystery of Satan may never be solved.

* * *

Approximately 200 of the motion-picture industry's brightest bureaucrats simmer under the South of France sun at the Carlton Hotel's outdoor bar. The most significant characteristic of these behind-the-screens movers-and-takers is their smugness. If they knew who lurked among them, they would freak.

Sardonically chewing cigarettes at a perimeter table is Greg Dark, surviving half of the infamous porn-impresario team, the Dark Brothers. Greg's sibling, Walter Dark, was swallowed whole by a beast of mammon and is expected not to re-emerge. How has Greg consoled himself over the loss of his bro?

"I've been wandering," admits Dark, with a devilish frown. "Everywhere I go, women can't resist me." A demonic gleam fires his eye. "Yesterday alone, at this very bar, I got hit on three times. First, a mature, old-country woman; secondly a waif fresh out of convent school; and lastly a pair of exotic, dark-skinned lesbian lovelies. They all came onto me. Their eyes bugged out." Dark's diabolic features convulse in ghoulish glee.

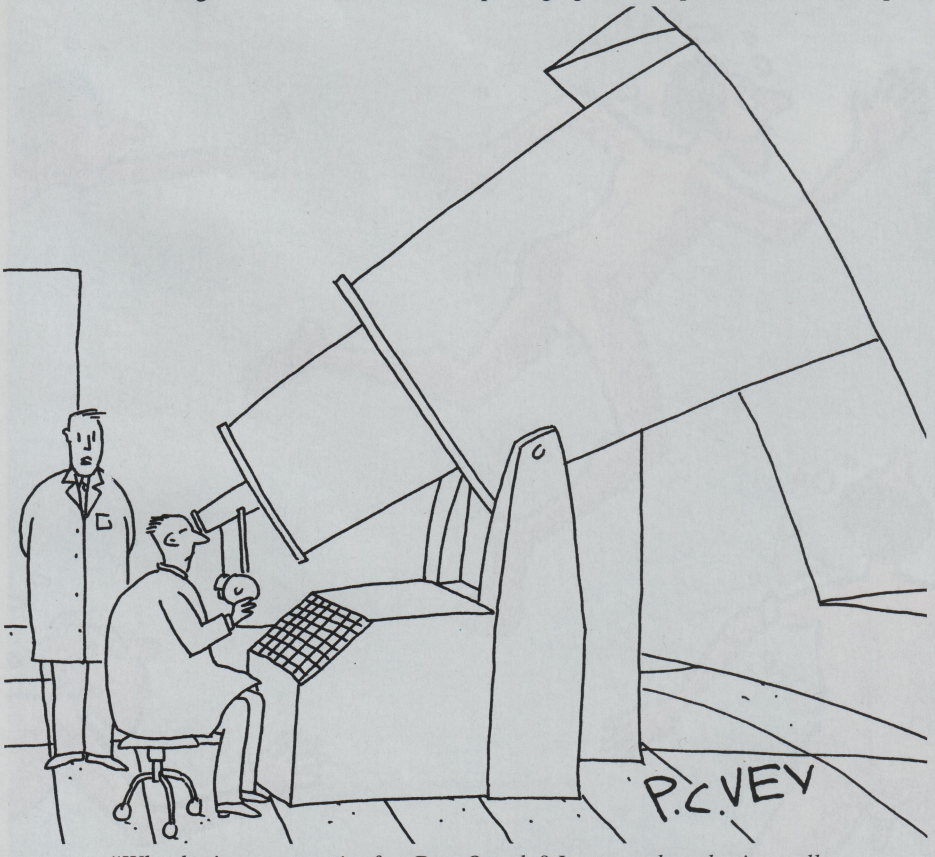
What is the secret of this man's fiendish power over women? wonders an eavesdropper from beyond Dover's white cliffs. *Can it work for me?* But the mystery of Greg Dark's bewitching spell may never be solved.

* * *

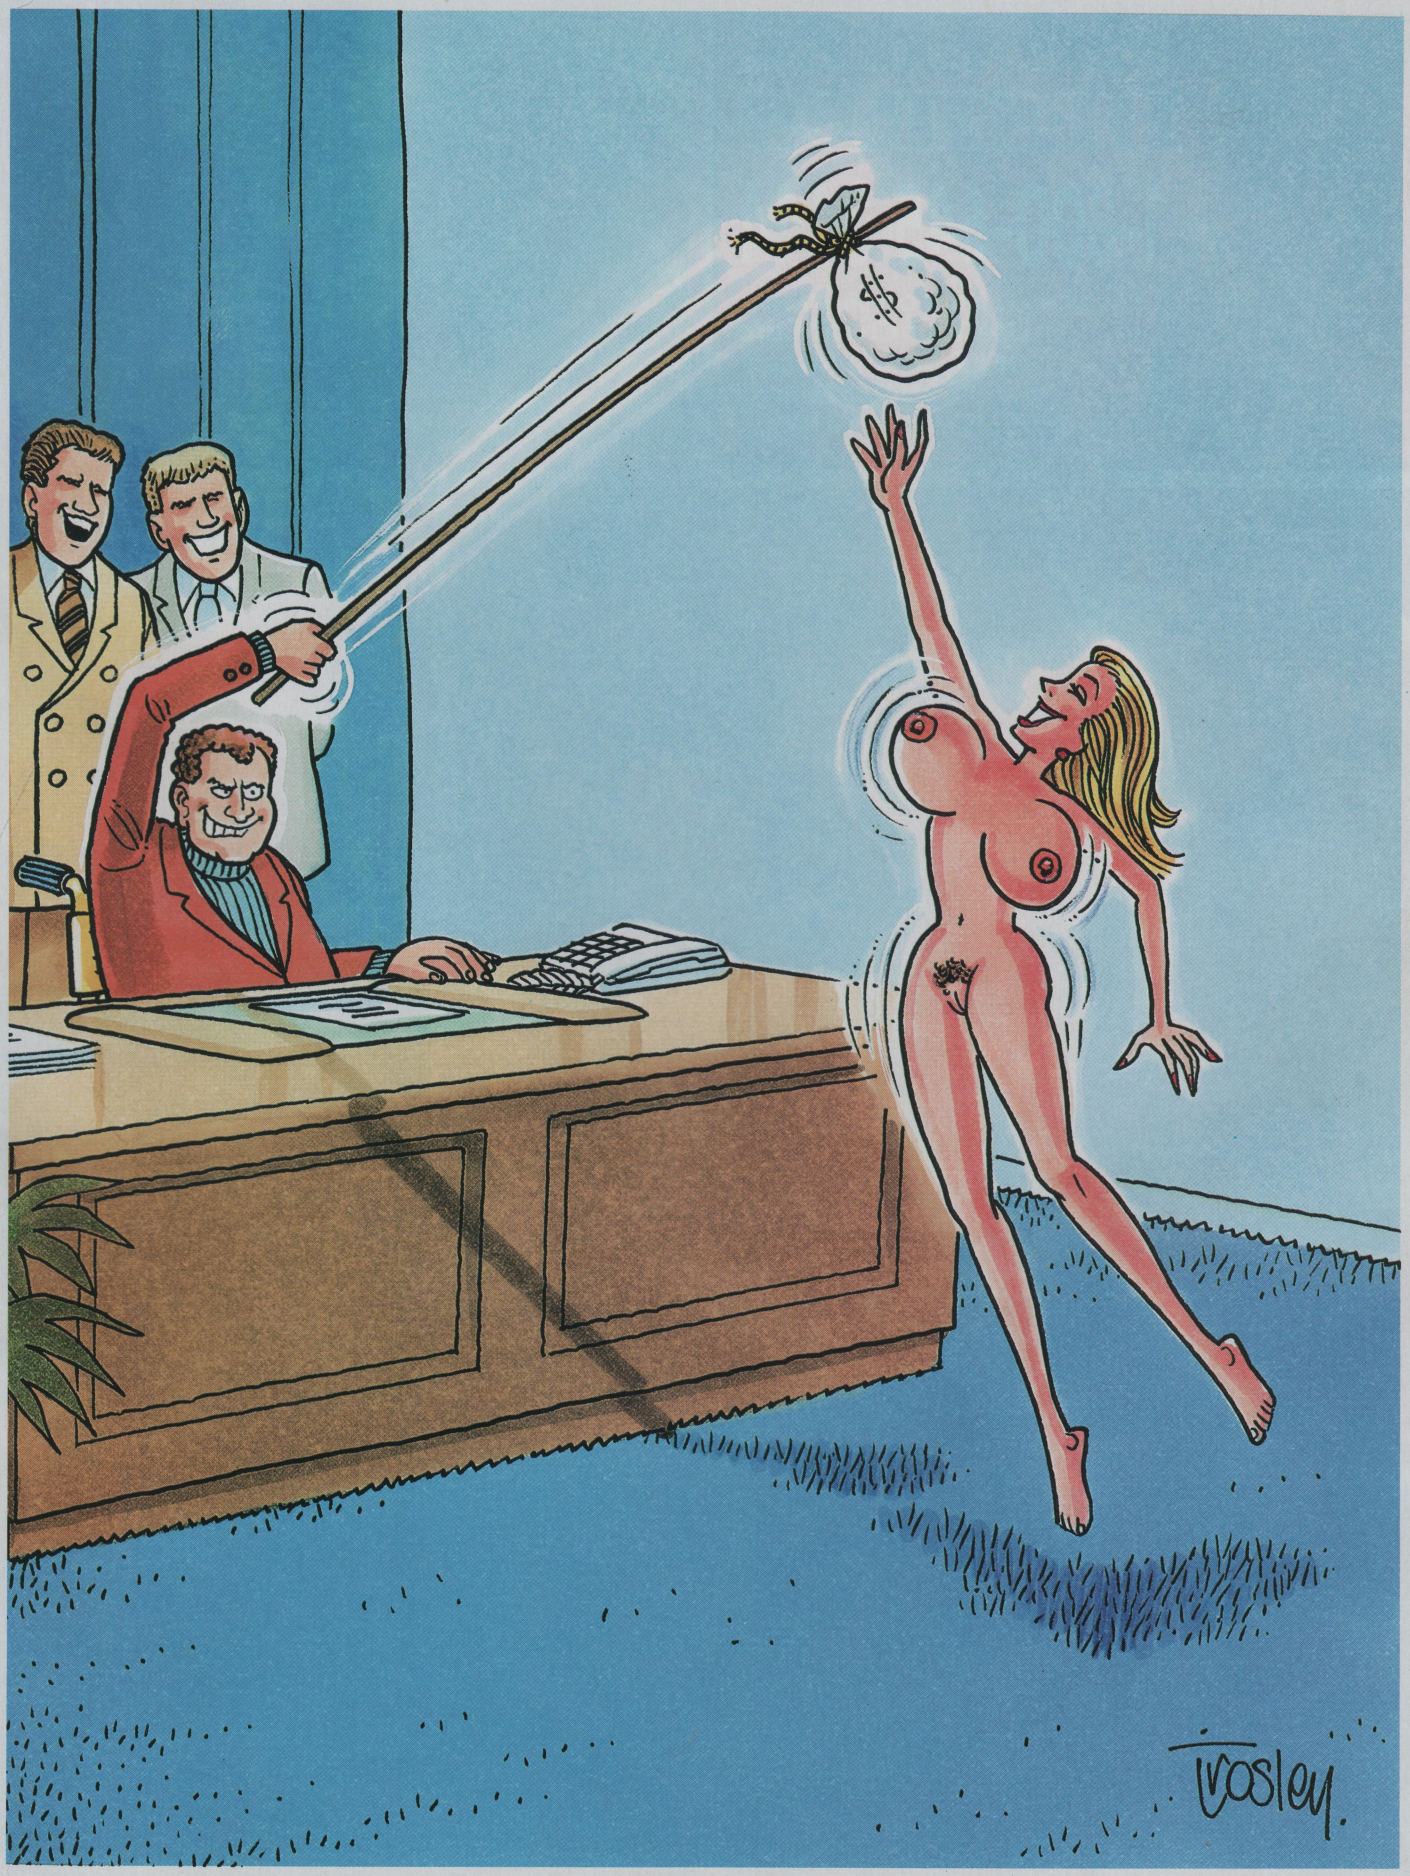
Gerard Damiano is the preeminent director of porn…or at least he's one of them, or he used to be. He sits in a boat chair of honor on the sundeck of a *Hot Video* cruiser. The craft cuts cleanly through the Mediterranean, a twin *Hot Video* boat sluicing alongside. The harbor of Cannes is crowded with yachts from all around the world, but none of the others are carrying eight porn starlets apiece.

"The ass, to them," generalizes gray-haired Gerard, in reference to the tush tastes of the Italian people, "is the most beautiful thing in the world."

The girls are dropping their tops at the fore sections of both boats, soaking up sun



"Why don't you name it after Dan Quayle? I mean, what else is small, ineffectual and orbits a black hole?"



"Larry loves personally giving away the Beaver Hunt money!"

"To fuck a porn star is to bag a balloon that has captured the essence of untold, unnumbered, fleeting, airy fantasies."

for the benefit of the lucky few—sanctioned, on-board *Hot Video* photographers.

A third boat joins the *Hot Video* cruisers, a maritime-police cutter.

"It's the cops," squeals a law-shy Frog. "You girls cover your tits."

Inspector Le Bogue stands on the prow, megaphone to mouth: "*Prenez-garde, mesdames et messieurs.* Beware! A pirate is attempting to board, over there on the right."

"That's starboard," points out Damiano helpfully. Sure enough, looking like a descendent of Sir Francis Drake, the incredibly persistent Sludgegut-Bassetbath has one arm over the gunwale and is attempting to clamber aboard. Bosom buddies Madison and Raven, with matching black hair and pylon tits, bumrush the sucker back into his rowboat.

Sir Balthazar hits his skull on a stanchion and has a change of view. As the *Hot Video* cruiser leaves him bobbing and nauseated in the spray of its wake, instead of angry stars and exclamation points, visions of Cameo's eraser-tip nipples circle Sludgegut-Bassetbath's head.

* * *

The *Hot Video* villa, a sprawling tri-level, commands a stunning view of harbors and shoreline all the way to St. Tropez, Monte Carlo and beyond, all the way to Italy even, a stunning, bejeweled vista, a combination of natural and man-made wonders that no one is looking at because hot pants P. J. Sparxx has stripped off her skimpy duds and splashed into the pool to cool her hot box. P. J. does aquatic aerobics, flips, handstands and splits. Her butthole breaks the surface and winks.

Rustling sounds in the trees that border the neighboring property. An unlikely gardener, up in the branches pruning dead wood, is distracted by Sparxx's antics. His legs go rubber; he steps back to steady himself and crashes to the ground. His moaning is unintelligible, except that a definite, uppercrust, Etonian accent can be distinguished.

* * *

The best part about the *Hot Video* Hot D'Or awards ceremony is that the proceedings are entirely in French. There is no need to pay attention. Although a few dozen American performers have travelled at great expense to attend, none of them wins anything.

The Yanks pass the time by gossiping. Female gossip deals with what Madison is wearing, penis size of male coworkers, whether or not to do anal, and money. A sample follows.

P. J. Sparxx: "I did two scenes, signed my releases, and he canceled the checks."

Cameo: "I was doing a layout for an English photographer, and a bee was buzzing around, and he wanted it to land on my clit."

Male porn stars talk about faggotry and physical appearances.

Says Randy West: "I mean, everybody fools around, but every time I see him, he grabs my balls, puts his tongue in my ear and sticks a finger up my ass. I really hate it, except the money is so good."

Says Ed Powers: "He comes to a party looking like a bug-eyed grasshopper."

The gossip grinds to a stop as the house band, which has been treacling through viscous, ersatz bar ballads, crashes into a burned-out version of "Satisfaction."

Looking like a giant wrecking ball in full-drag lingerie, Chi Chi LaRue tramps from the buffet to the stage and launches into the song, putting more life into it than Mick Jagger has in the past decade and a half. Chi Chi mutates the lyrics into a hue-and-cry, beckoning the porn girls up to the stage with him, where they gyrate to the beat. While the band takes the bridge around for a few extra refrains, Chi Chi plops into the audience and waddles from table to table. The *Hot Video* bigwigs in their black tuxedos flee from his public affections.

But one man in spats stands straight as a board, mustache aquiver. Sir Sludgegut-Bassetbath passes LaRue and is lost in the bopping sea of syncopating silicone.

* * *

Everybody must go home sooner or later, and the Nice airport is as good a place as any from which to leave. As the HUSTLER reporter reflects upon the assignment he has blown, a familiar figure approaches and locks a tell-tale grip to the editorial biceps.

"You look a little lighter in your shoes," observes Mr. HUSTLER.

"Let me tell you," insists Sir Balthazar Sludgegut-Bassetbath, "about the sacrosanct sacrament of sex with a sin siren. To fuck a porn star is to bag a balloon that has captured the essence of untold, unnumbered, fleeting, airy fantasies. Not only is the male penetrating and mixing with the biological effluvia of every wand that has stirred her orgasmic blender during the past ten years, he is also intruding upon and taking on the erotic charge of countless mental and astral couplings that are no less real for their spectral, ethereal existence.

"And then the reality of the physical contact, for in truth she is a woman, a sexual being, before she is a porn star, and she will be a female hormone-popper well after she finishes with her career as a cum goddess. Beneath the veneer of carnal deification, she is an itch that loves to scratch...."

Or at least that's how one man sees it, ruminates the HUSTLER editor, wishing he could be that one man.

8 HOURS OF SUPERB ROCK HARD VIDEO ...OVER 50 SIZZLING TITLES YOU CAN VIEW...

all for only **$19.95**

The tough economy coupled with the restrictive legislative climate has made it imperative for the leading distributors and owners of duplicating facilities to put their ego's and competitiveness aside to create a **NEW MARKETING CONCEPT** that would change the way videotapes are sold.

IRON-CLAD GUARANTEE

- 8 FULL HOURS of total viewing pleasure!
- Each tape generated from either 3/4", or 1" or 35mm originals, NO EXCEPTIONS!
- No tapes duplicated in 3rd speed. ABSOLUTELY NONE!
- Many titles are award winners cited for excellence or outstanding action. NO LIE!
- GUARANTEED lowest prices on any offer of this type. ANYWHERE ON THIS PLANET.

The result of this new thinking was the formation of a new partnership – the **WORLD VIDEO ALLIANCE** (W.V.A.). Instead of 6 production facilities, why not have just one sophisticated facility? Instead of 6 tribes with 6 chiefs, why not just one great marketing complex that would revolutionalize the adult entertainment business – where everyone benefits? **This includes you!**

The major single decision approved by the ALLIANCE was to pool funds and purchase state-of-the-art **HIGH-SPEED DUPLICATING machines.** We can now duplicate our 90 minutes features at the blinding speed of 2 minutes 34 seconds – and we **guarantee perfect quality.**

As a result of "cutting the fat" we can now sell the same titles you've paid as much as $69.95 **for as low as $2.85 each!** That's right! Less than the cost of a blank tape! To get this new merchandising concept off to an impressive start – the members of the ALLIANCE have contributed their "pride and joy" the "cream of the crop." They have put together **8 hours of superb, rock hard videos.** A compilation of **over 50 sizzling titles** from every major video production company. And this is all yours for a mere $19.95 . . . that's less than $2.50 per hour of viewing. Can you beat that? If you are still in doubt . . . read our **GUARANTEE** again!

Send $19.95 plus $3 postage (total $22.95) to:

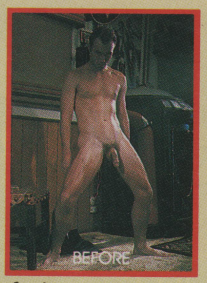
You Can ENLARGE, THICKEN & HARDEN YOUR PENIS TO IT'S MAXIMUM!

HAVE ERECT MEASUREMENTS OF 9, 10, EVEN 12 FULL INCHES!

Let Scott Taylor "King of Penis Enlargement" show you how!

Is the size of your penis bringing you down? Sure, the medical authorities say that size doesn't count, but as long as women have a need to be filled, they will demand the full measure of devotion. And no amount of psychological reassurance will fill the gap between expectation and reality.



Now, with a simple device you can follow in the footsteps of Super Porn Stars, Scott Taylor, Jeff Stryker and the hundreds of thousands of men who have proven that there is a way to INCREASE PENIS SIZE and THICKNESS! The device is called the SUPRA-12 VACUUM ENLARGE. A safe and proven natural way to add inches to penis length and thickness. With the SUPRA-12, you will see yourself grow to dimensions you never thought possible.

HOW CAN THE SUPRA-12 VACUUM ENLARGER INCREASE PENIS LENGTH & THICKNESS?

Your erection is caused by blood flowing into hollow caverns inside your penis. The caverns fill with blood and your penis grows in size and thickness and becomes stiffer and stiffer until the caverns are filled with all the blood they can hold. BUT, IF YOU INCREASE THE CAPACITY OF THE CAVERNS BY MAKING THEM BIGGER, THEY HOLD MORE BLOOD and you have a correspondingly longer, thicker penis. You'll see the astonishing results the first time you use your SUPRA-12. Your penis will grow inside the clear, picture window sleeve. Immediately you'll see just how really BIG. . .how really FAT. . .how LONG. . .how HARD and STIFF your own penis can get! And after regular sessions with the SUPRA-12 you'll probably find as do most men that these size gains don't go away! They become a part of you to thrill and excite her!

SUPRA-12, THE "ROLLS ROYCE" OF VACUUM ENLARGERS.

These sophisticated instruments are by far the state of the art in penis enhancing machinery. The HEAVY DUTY MANUAL model is a finely crafted precision instrument designed to create the vacuum needed to make the male organ LONG and THICKER. And for the connoisseur, the powerful ULTRA DELUXE ELECTRIC model (U.L. approved) is equiped to give you continuous even sucking power until you shut it off! The ULTRA DELUXE ELECTRIC is perfectly safe and as quiet as a whisper.

Accept no substitutes if you are truly serious about penis enlargement – join the more than half a million men who have proved that the SUPRA-12 will do the job for you!

"A JOURNEY INTO THE BIZARRE"

We bring you a collection of eleven adventures in erotica that are unlike any you've ever seen – we guarantee it! PAUL NORMAN, "The Master of the Unusual!" goes where few producers dare to tread in the production of his sex films, stopping at nothing to bring you the most visually shocking sex encounters ever filmed – XXX hardcore that appeals to every taste – every kink! Not content with the normal big-dick studs and porno starlets, he has sought out, discovered, and brought to the screen true hermaphrodites (people who possess a penis and vagina); Siamese twins who perform sex on camera; bisexual nymphs and satyrs who will do anything to get off; and much, much more! NOW – by special arrangement with Mr. Norman, we offer you this showcase collection of his best works. Obviously, his films bring top dollar when sold individually, but during this limited special offer, you can acquire these classics at a price that makes them an unbelievable bargain!

90 minute VIDEO *as low as* **$3.63 EACH** scene

with PAUL NORMAN . . . *the master of the unusual!*

PN-1 "BI & BEYOND" (Hermaphrodite with a woman) – The film that set the sex world on its ear! Deliah, the stunning brunette hermaphrodite with a gorgeous woman's body and pulsing 10 1/2" cock, makes her film debut, licking, sucking and fucking a blonde woman in every way imaginable!

PN-2 "PASSION BY FIRE" – A bisexual female and bisexual male join forces and cruise pick-up bars in search of sex partners to quench their insatiable appetites for cum! 3-way action where no hole is left unfilled!

PN-4 "BI & BEYOND 2" (Hermaphrodite with a man & woman) – A horse-hung hermaphrodite easily satisfies a man and a bi-guy as she uses her awesome sexual equipment in a 3-way fuck fest such as you've never seen before!

PN-5 "JOINED" (Siamese twins with a man) – Perhaps Paul Norman's most incredible discovery of all – gorgeous young Siamese twins joined at the hip, who catch a peeping tom and grant his fondest wish – to have sex with them! A must see, alone worth the price of the entire collection!

PN-6 "INNOCENCE LOST" – Two lesbians decide to try cock for the first time, and introduce their neighbor to new thrills as they penetrate his virgin anus with their dildoes & lesbian sex toys!

PN-7 "BI & BEYOND 3" (A hermaphrodite with a man) – A gorgeous blonde with a dripping pink pussy and throbbing 9" cock auditions for a film role. The producer (who's bi) has his hands full (and his manhole) when this unique, oversexed creature gives him an updated lesson in male & female anatomy!

PN-8 "HEATWAVE" (Interracial bisexuality) – The black bisexual crew of a yacht "drops anchor" in the hot mouths and hungry pussies of their cock-starved bisexual blonde passengers. A "salt & pepper" suck & fuck fest ensues all over the boat!

PN-9 "SEPARATED" (Siamese twins with two men) – The stunning Siamese twins yield their mouths and cunts to the throbbing cocks of two studs as they have their first 4-way group sex experience. An eye-popping, cum-spurting orgy of double fucking and sucking!

PN-10 "BI & BEYOND 4" (Super-hung black hermaphrodite with a man) – "Herculina," the incredible black hermaphrodite with a 12 inch penis, teaches a "white boy" about "long-dicking" as he has his first encounter with nature's "ultimate sexual partner," the hermaphrodite!

PN-11 "OFFERING" – Imagine what happens when 8 multi-orgasmic male & female bisexuals get together for an "orgy to end all orgies." It's all here – hot, wet, and up-close, as Paul Norman's camera record the most cum-saturated sexual encounter ever filmed!

PUSS PRINTZ ™

T - SHIRTS

A unique concept perceived and visually presented by artist Frank J. Tichy.

His philosophy being that not all women are created equal, and it's all pink on the inside.

Tichy's creativity has documented a vast collection of individual prints. These are not photographs or artistic renderings.

Tichy dips his brush into the color chosen by his model, who then bends over and touches her toes. The paint is applied directly to the warmth of her flesh and transferred onto paper. Reproductions are the actual size, shape and color of the model. Then they are arranged and printed only on the original Puss Printz products.

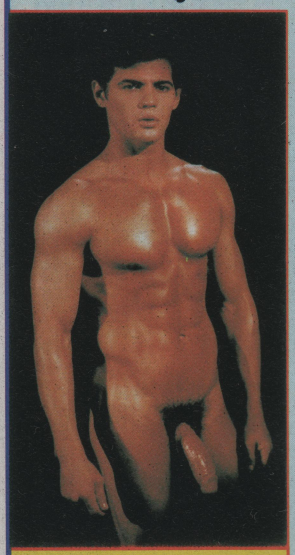
Jeff Stryker's How to Enlarge Your PENIS



Enlarge your PENIS to its Maximum Potential!

Jeff Stryker, America's No. 1 adult video star, shows you in his brand new video and magazine how he pumps up to a bigger, harder and thicker penis. Watch Jeff as he demonstrates step by step his penis power building techniques and tells you everything you need to know to increase your penis length and diameter.

Here is why Jeff Stryker's penis enlargement method can work for you.

Your erection and increase in penis size is caused by the flow of blood through the many blood vessels of the caverns, a spongy substance of the penis. The penis pump allows the caverns of your penis to expand, permitting blood to fill the caverns which causes the penis to grow and become erect.

You do this by inserting the penis into the pump's clear cylinder *(you actually watch your penis grow)*. **Erect measurements up to 12 inches!**

Your penis grows larger and firmer more than you ever dreamed possible!

NEXT MONTH IN HUSTLER

Holiday Issue on sale October 27, 1992

WRING IN THE NEW

Ride into 1993 on the tail of a socket rocket fueled with the lubricious ladies of HUSTLER's Holiday Issue. Catch a busty brace of cowboy-booted hot-rodders bumping booties in a tire-squealing, rubber-burning desert humpathon; match and mingle seriously sensual, second-skin styles with a pair of latex-laden kinksters; wrist-romp to the jiggling gyrations of a fluffy bedside lap kitten; and slide ashore the shiny, pink atoll 'tween the legs of a skinny-dipping, high-handed island hopper. HUSTLER's Holiday Issue aims for the stars and settles for a few full moons. Thrust us.

BLOODY BUSH

Even those who consider an estimated two million people massacred in Indonesia and untold thousands tortured, murdered and missing in Latin America an acceptable price to pay for the protection of America's democratic institutions at home cringe to hear of Salvadoran peasants recalling sons, brothers and husbands gathered into circles and set on fire after their legs had been broken, and of trees heavy with women hanging from their wrists, breasts cut off, facial skin peeled back, slowly bleeding to death—all at the hands of the United States Central Intelligence Agency. Mutilated Salvadoran children, Iranian dissidents roasted alive—the greatest atrocities in the history of the CIA can be laid at the door of one man: George Herbert Walker Bush. Writer Al Hazrad strips the kinder, gentler mask from the Company's chief butcher in *President Blood*, a shocking appraisal of the President's least-publicized accomplishments.

CHEEZ AND THE MAN

Self-admitted pig bastard Cheezboy and porn goddess Laurel Canyon are a love match to hearten every fist-fucked Joe Schmoe. What inspired a cum-queen like Laurel to sign an overweight, underhung crooner to co-star in her latest flesh flick? What accounts for the stranglehold charisma of a man named for curdled milk? *Say Cheeze* is Cheezboy's firsthand account of his boner-fide X-rated film-star debut, a tenderly nauseating Cinderfella story of an ophthalmologist's assistant by day, rock star by night (in his dreams) and Canyon-crammer in between.

PARTY FAVORS

Writer Valerie Leigh describes the benefits and pitfalls of two primal instincts lovers never want to see hand in hand in "Fear and Sex," HUSTLER's Holiday Issue's *Sex Play*; *Hot Letters* scrawls a new page in undercover jizztory; *Beaver Hunt* spreads the glories of homespun herstory; and *Bits & Pieces* gives the New Year the kick it deserves. HUSTLER's Holiday Issue looks ahead to a new backside.
